BACK GIVES OUT.

Plenty of New Bern Readers Have This Experience.

You tax the kidneys—overwork them—They can't keep up the continual strain.

The back gives out—it aches and pains; Urinary troubles set in. Don't wait longer—take Doan's Kidney Pills.

New Bern people tell you how they act.

J. R. Bowden, 29 Hancock street, New Bern, N. C., says:

"I do not hesitate to recommend Doan's Kidney Pills, as I have used them with the best of results. I suffered from kidney trouble for a long time. My back ached constantly and on account of the severe pains in my loins, it was difficult for me to stoop or lift. At times my condition was such that I found it almost impossible to attend to my work. I finally obtained Doan's Kidney Pills from Bradham's Pharmacy and they soon relieved the backache, disposed of the pains in my loins and strengthened my kidneys. My mother also used this remedy and the results in her case were just as satisfactory."

For sale by all dealers. Price 50 cents. Foster-Milburn Company, Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

ROBBERS GET \$1000 IN CASH.

Scared by Returning Young Woman, They Escape.

Allentown, Pa., Mar. 15.—Burglars last night entered the house of Dr. H. K. Hartzell and stole a gold watch, diamond, opal, garnet, topaz and turquoise jewelry to the amount of more than \$1,000. Early in the evening Miss Helen Hartzell saw two men acting suspiciously on the opposite side of the street and, becoming frightened, she sent for her mother, who was visiting at a neighbor's house.

On their return they heard an upstairs window drop with such force that the panes were shattered.

The house was searched, but no trace was found of the burglars, and it is believed that when they heard Mrs. Hartzell and her daughter entering the lower part of the house they jumped out of the second-story window.

PALACE FOR HETTY GREEN.

Famous Woman of Millions May Go In For Luxury.

New York, Mar. 15.—According to rumor Mrs. Hetty Green is soon to be the owner of a palatial residence in Fifth avenue, which she is said to have purchased within the last few days, the price paid being between \$650,000 and \$700,000. One of the first places where the rumor was heard was in the Hotel Plaza. It was there that Mrs. Green and her daughter lived for several months, and it was also in this hostelry that the wedding of Miss Green by Matthew Astor Wilks is said to have taken place.

The story is that Mrs. Green has become tired of her Hoboken flat and has decided to buy a house in Fifth avenue in one of the most exclusive blocks, and to live in future in style in keeping with her income.
