

THE PEOPLES BANK
NEW BERN, N. C.
STRONG COURTEOUS PROGRESSIVE
CONSERVATIVE METHODS

The men who compose the management of this bank are wrong believers in a conservative policy. They are substantial owners of the bank's stock and are always willing that the bank should forego a possible profit in the interests of absolute safety. Savings and checking accounts are cordially invited and every courtesy is extended to depositors whether their accounts are large or small.

WILMINGTON, DEL., Mar. 15.—Running from behind his bar on tiptoes to squirt a jet of seizer from a siphon upon a man sleeping in a chair in his saloon, at Fifth and Tatum streets, Oscar Schryer, proprietor of the saloon, was suddenly stricken and fell to the floor, dying within a few minutes. Excitement of playing the prank evidently had caused the fatal heart attack. He was 49 years old, and is survived by a wife and several children.
