POINTED PARAGRAPHS.
Chicago News.
The last will and testament is a dead give away.
The most glaring faults of others oft resemble our own.
There are men who would probably be wiser if they knew less.
It's a safe bet that a man is what he suspects others of being.
Many a girl with the hammock habit has a mother with the washtub habit.
The wounds of love are quickest healed by another dart from Cupid's arrow.

REFLECTIONS OF A BACHELOR.
New York Press.
The bolder a man can get, the more pride he can take in his mustache.
When a man can't resist writing insane letters it's a sign it's a love affair.
Fighting seems to be perfectly respectable when it's in the church choir.

Minnesota Surgeon is Bone Carpenter
Trenton, N. J., May 25.—William Royer who suffered a broken hip three years ago when he fell from a telegraph pole expects soon to be able to be about as usual.
At the Rochester (Minn.) Hospital where he went for treatment, the physicians say he will recover.

Card of Thanks.
On behalf of the fire department of New Bern, I wish to thank the citizens and every one who assisted in giving the firemen such a royal reception last evening. Assuring each and every one that every fireman highly appreciated their hospitality.
Respectfully,
GEO. Y. HARRINGTON,
Chief of Fire Department.

**STOP EXPERIMENTING!
TAKE A 'CASCARET'**
Nearly all our ills come through inactive liver and bowels. Millions of folks keep feeling good with Cascarets.
One must keep the bowels clean. Do it just the same as you keep your skin clean. Not by severe applications, applied at rare intervals. But by gentle and regular efforts. It pays immensely.
Many people dread physic. They think of castor oil, of salts and cathartics. They shrink from the after effects—griping and weakness. So they postpone the dose until they are costive or bilious. Then they do the cleaning in a heroic way. That is all wrong.
Cascarets are a gentle laxative. They are just as effective as anything else, and more natural. And they are pleasant—a candy. They are made to carry with you. Take one just as soon as you need it. You'll know. The result is your bowels are always active. You always feel at your best. Try a 10 cent box of Cascarets. You'll never again go without them.

THE THIN AND WEAK.
Easy Way for Them to Get Strong and Fat.
To thin and weak Bradham Drug Company have a word to say. Let them use Samose, the wonderful flesh forming food, that is now so popular, and they will soon be plump and rosy.
Samose is not an ordinary medicine; it is a flesh-forming food that is adapted to the most delicate. Its tonic effect gives strength and health so that after its use for a short time, all the flesh and fat producing elements in the food will be easily assimilated and retained by the body.
The large sale Druggists, Bradham Drug Company, have had on Samose since they first introduced it in New Bern and the wonderful results following its use have made them such enthusiastic believers in its great merit that they give their personal guarantee to refund the money if Samose does not make thin people fat and restore strength and health.
When a gain in weight is noticed after Samose has been used for a week or ten days, and health has improved, and you notice yourself growing stronger, you certainly should feel more than satisfied with what you have received from the small cost of 50c.

HEALTHY MOTHERS
Women who bear children and remain healthy are those who prepare their systems in advance of the crisis coming. Unless the mother aids nature in its pre-natal work the crisis finds her system unequal to the demands made upon it, and she is often left with weakened health or chronic ailments. No remedy is so truly a help to nature as Mother's Friend, and no expectant mother should fail to use it. It relieves the pain and discomfort caused by the strain on the ligaments, makes pliant and elastic those fibres and muscles which nature is expanding, prevents numbness of limbs, and soothes the inflammation of breast glands. The system being thus prepared by Mother's Friend dispels the fear that the crisis may not be safely met. Mother's Friend assures a speedy and complete recovery for the mother, and she is left a healthy woman to enjoy the rearing of her child. Mother's Friend is sold at drug stores. Write for our free book for expectant mothers which contains much valuable information, and many suggestions of a helpful nature.

MOTHERS FRIEND

THE ICE MAN.
Who has to work all day and night, And work like h—, with all his might, When his machine's in a bad plight, To get the d— thing running right? Well, that's the Ice Man.

Who, when he wants to take a rest, Ne'er takes the time to get undressed, But stretches out on a tool chest And dreams he's by the d— blessed? Well, that's the Ice Man.

Who cannot pay one-half he owes, And sells "on tick" where'er he goes, And counts the "dead ones" in long rows, While bills are dropped beneath his nose? Well, that's the Ice Man.

Who's counted a common thief, Of all monopolists the chief, Whose word is far beneath belief, Who from contempt gets no relief? Well, that's the Ice Man.

Who catches h— down here below, And gets it hot and never slow, From every source the winds do blow, And never gets an earthly show? Well, that's the Ice Man.

When Peter opens heaven's gate, A crowd of damned will have to wait, While Peter bows his halo'd pate To one who's passing through in state, And that'll be the Ice Man.

DANGER IN DELAY.
Kidney Diseases Are Too Dangerous for New Bern People to Neglect.

The great danger of kidney troubles is that they get a firm hold before the sufferer recognizes them. Health is gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles and dropsy, follow in merciless succession. Don't neglect your kidneys. Cure the kidneys with the safe remedy, Doan's Kidney Pills, which has cured people right here in this locality.

James Thompson, 808 Chestnut St., Kinston, N. C., says: "The public statement I gave in January 1908, recommending Doan's Kidney Pills still holds good. I had severe pains across my loins and my back ached all the time. My kidneys were weak and I was obliged to pass their secretions every little while. Doan's Kidney Pills were so highly recommended to me that I got a supply and used them as directed. They strengthened my back and kidneys and removed all symptoms of kidney complaint from my system. The benefit I received has been permanent and I now have no need of a kidney medicine whatever."
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
Remember the name—Doan's—and take no other.

After The Grippe
"I am much pleased to be able to write and thank you for what Cardui has done for me," writes Mrs. Sarah Gilliland of Giles City, N. C.
"Last February, I had the Grippe, which left me in bad shape. Before that, I had been bothered with female trouble for ten years, and nothing seemed to cure it. At last, I began to take Cardui. I have taken only three bottles, but it has done me more good than all the doctors or than any other medicine I ever took."

Take CARDUI
The Woman's Tonic
For the after-effects of any serious illness, like the Grip, Cardui is the best tonic you can use. It builds strength, steadies the nerves, improves the appetite, regulates irregularities and helps bring back the natural glow of health.
Cardui is your best friend, if you only knew it. Think of the thousands of ladies whom Cardui has helped! What could possibly prevent it from helping you? Remember you cannot get the benefit of the Cardui ingredients in any other medicine, for they are not for sale in any drug store except in the Cardui bottle. Try Cardui.
