

# P. A. makes men smoke hungry

Just you get a whiff of "the national joy smoke" and it's dollars to doughnuts you beat it 'cross lots to the nearest store that sells tobacco—and stock up! The flavor and aroma of Prince Albert has got 'em all backed off the boards. It sure will hit the spot with you. Get the drift of that?

# PRINCE ALBERT

the national joy smoke

just does all that we say it will do. It can't bite your tongue and it can't parch your throat. All this is because P. A. is made by a patented process that cuts out the bite! Why, this process has simply revolutionized smoking tobacco.

Prince Albert rolls up the bulkiest makin's cigarette you or any other man ever smoked. It puts the jolt of joy right into your system.

You can just do "makin's" sunrise to sunset and have a lot of fun. Why, P. A. in a cigarette is absolutely a revelation. You go to it!

Buy Prince Albert everywhere; in the tippy red bags, 5c; tippy red tins, 10c; also in pound and half-pound tins.

## 7 HIGH-PRICED DOCTORS O. K. IT

All Approve Dodson's Liver Tonic as the Safe Family Remedy for Constipation and Lazy Liver.

There are most excellent reasons for Bradhams Drug Co. standing back of Dodson's Liver Tonic with an unconditional guarantee to refund purchase price (\$5c.) to you at once without question in event of any dissatisfaction.

Seven of America's very highest priced physicians, who were consulted regarding Dodson's Liver Tonic and who analyzed this vegetable liquid remedy carefully with all their skill, knowledge and experience, have all agreed on its superior merit, harmlessness and effectiveness. Dodson's takes the place of dangerous calomel in constipation, biliousness, sluggish liver, sick headache, etc.

Each of these physician's fees was heavy enough to stagger most men; but their judgment is worth all it cost, particularly if it will be the means of leading more people to refuse to run dangerous risk by taking calomel and other violent remedies. Dodson's Liver Tonic not only relieves the sufferer from constipation and kindred ills, but does it easily and naturally, without ache, pain or gripe, with no bad after-effects, without interfering with usual duties and habits and absolutely without danger—which is one reason it can carry an iron-clad guarantee. It has proved a boon to so many that it is recommended for you to try at once.

## MILLIONS IN SKUNKS—CAN YOU BEAT IT?

Trap Hunters Get \$3,000,000 a Year For Furs from These Animals in United States.

(By United Press.) Washington, July 17.—Just common skunks are worth \$3,000,000 annually to trappers in the United States.

Their fur is regarded in Europe as equal to, and in some places better than, the Russian sable.

And still only thirteen states protect the animal by game laws.

These facts are emphasized by the United States Department of Agriculture which just issued a bulletin on the "Economic Value of North American Skunks." The states are: Ohio, Indiana, Illinois, Michigan, Missouri, Kansas, New York, New Jersey, Delaware, New Hampshire, Maine, Vermont and North Carolina.

In 1911, the department declares, 2,000,000 skunk skins were sold by American trappers in London. Many of these skins the department says, are dyed and shipped back to the United States and sold to American women as "black marten" or "Alaska Sable."

The average married man will frankly admit that in the choice of a life partner his wife's judgment was far superior to his own.

## FRECKLES

Now Is the Time to Get Rid of These Ugly Spots.

There's no longer the slightest need of feeling ashamed of your freckles, as the prescription ointment—double strength—is guaranteed to remove these homely spots.

Simply get an ounce of ointment—double strength—from any druggist and apply a little of it night and morning and you should soon see that even the worst freckles have begun to disappear, while the lighter ones have vanished entirely. It is seldom that more than an ounce is needed to completely clear the skin and gain a beautiful, clear complexion.

Be sure to ask for the double strength ointment as this is sold under guarantee of money back if it fails to remove freckles.

## OHIO COLLEGE GIRLS HOLD MANY RECORDS

Lake Erie College Promises to Turn Out More Feminine Athletics Than All Other Colleges.

(By United Press.) Zanesville, O., July 17.—If the mistaken impression prevails that the only real girl athletes in the United States are schooling at Vassar, Smith and Wellesley, it should be corrected, according to girls at Lake Erie College here. These girls hold seven world's records and are striving for more. Vassar holds five world's records.

Architects are drawing plans for a huge gymnasium to replace the inadequate quarters in which Lake Erie girls have been forced to train for their field events. The new building will cost nearly \$100,000 equipped and will furnish quarters for over 400 girls.

Miss Ruth E. Potwine, director of physical training, promises to turn out more stars in the world of feminine athletics than all the other colleges for women combined.

Have you seen the new toilet goods in our show cases? They are the best on the market.—Bradham's.
