BASEBALL TOMORROW.

Tomorrow afternoon at five o'clock at Ghent Park, the Married Men and Single Men will cross bats in the City League series.

The Married Men promise to "tighten down" on the Singles and are confident of winning from the top-notchers.

Much interest is centered in this game as the Singles have lost only three games this season and, should they lose tomorrow's game the Railroaders would be tie for first place in the percentage column. And then, too, the Married Men are working hard to reach the coveted goal. It is certain that the rooters for the Married Men will be in the majority tomorrow, for the "backers" of both the Married Men and Railroaders will be united in "pulling against" the Singles. So, it makes no difference which is your favorite team, be on hand tomorrow and do your share of the rooting.

The batteries will be: Married Men, Willis and Seifert; Single Men, McSorley and Scales.

INSANITY MENACE TO HUNGARY

(By United Press.)

Budapest, July 17.—That no less
than 12,000 insane persons are at large in Hungary and are a danger to society and public safety because the insane asylums are overflowing, was the startling statement made today by the Minister of the Interior in the Hungarian parliament in pleading for greater appropriations. He declared there are 11,000 in-mates in the state institutions for insane and 12,000 at liberty. One institution arranged and equipped for 1,200 has double that number of inmates, scores of them having to sleep in the corridors and on the floors.

Richmond, Va., July 17.—Brad-street's today said: The general tend of the trade is toward improvement, though the sales in most lines continue below the average, however this is partly attributed to the usual between season quietness. Halt Divorce Proceedings and Settle Down to Life's Real

Joys.

Trenton, N. J., July 17 .- After a fight of a year in the divorce court Laura and Stephen Kiss notified their respective lawyers that they had decided to kiss and make up and asked that further action in the suit be discontinued.

The Kisses were married in Trenton in 1910 and lived happily for two years. At a hearing before a justice of the peace on a charge of non-support, Kiss declared that he would rather go to the electric chair than give his wife money. Besides failing to support her, Mrs. Kiss charged her husband beat her and otherwise ill-treated her.

Lately, however, Kiss sought a reconciliation, and in a letter asking her to return to him referred to Mrs. Kiss as his "deeply respected, sacred, faithful, non-forgettable wife." This evidence of love was irrefutable and
