**Texas Man Asks Governor for Vehicle That Family May Attend Church.**  
 Austin, Tex., Sept. 14.—As a reward for having a family of seventeen children, P. K. DeLany, Rural Route No. 8, Box 12, Seguin, Guadalupe county, has requested the Governor to give him and his wife and children an automobile to convey them to and from church and Sunday school, the church being seven miles from where they live.  
 The request came in a letter received by the Governor, and accompanying it was a picture of the family. Mr. DeLany writes:  
 "Our family group is supposed to be one of the largest in the State, consisting of seventeen children, ten daughters, seven sons, one son-in-law, one granddaughter, father and mother. All are alive and healthy, without a mark or blemish. Fifteen of the children are at home and two are married.—Mrs. John Anderson, of Seguin, and Mrs. Ross McCullough of Moore. We live seven miles from church and Sunday school. Don't you think the State ought to give us an automobile to attend church and Sunday school? We hope for an early reply."  
 Gov. Colquitt answered thanking Mr. DeLany for the great service he has rendered the State, but informing him that there was no appropriation for furnishing automobiles in recognition of such accomplishments.
