Does Your Watch Need Repairing?

A Watch is intended to tell you the time of day. Unless it does this accurately it is worse than useless, for it is like the man you cannot depend upon.

Perhaps you have twenty or thirty dollars tied up in a watch that doesn't keep time, when an investment of a dollar or two will make a perfect timekeeper of it. Our repair department is at your service.

STEAMER RED CROSS SAILS

Relief Vessel To Land at Falmouth, England, September 22.

New York, Sept. 14.—The steamer Red Cross, bound on an errand of mercy to the European war zone, left her anchorage late yesterday and shortly before 6 o'clock was on her way to sea.

London, Sept. 14.—The American ambassador, Walter Hines Page, was advised yesterday that the American Red Cross relief ship was sailing from New York and would dock at Falmouth, September 22, there to await further orders.

Henry S. Breckenridge, American assistant secretary of war, who is at Paris, is obtaining reports from army officers and consulate officers in England and on the continent as to relief work done with American government funds. Secretary Breckenridge will be in Paris probably another week.

The American relief committee expended more than \$100,000 in government funds last week, chiefly for railway and steamship tickets for indigent Americans.

Official announcement is made of the re-opening of the port of Southampton for general steamship traffic.

POPE SYMPATHIZES WITH THE BRITISH

"Guardian of Peace and Master of Justice," How He Sees England.

Rome, Sept. 14.—(via Paris.)—A dispatch from Turin quotes the Stampa as saying that Cardinal Bourne, archbishop of Westminster, is conveying from the Pope to King George a letter expressing sympathy for the British nation, which is described as the "Guardian of Peace and Master of Justice."

The Stampa adds that the pope asked the Austrian and Prussian ambassadors to give safe conduct for the return of Cardinal Mercier, primate of Belgium to Belgium. This was refused, whereupon the pontiff answered that he would remember the unpleasant refusal.

A telegram from the Austrian frontier says that among the killed in the Austrian army were many of Italian birth.

Word from Brindisi says the United States cruiser North Carolina is coaling there.

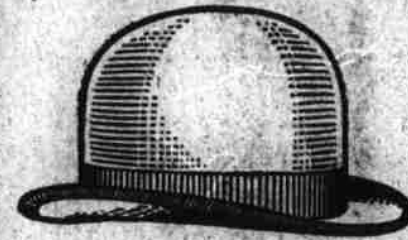

Prince Louis Napoleon, whose sword was refused by France, is awaiting instructions to join the Russian army.

THE Hit of The Season

The line of Hats that we are showing for early fall wear have made a most decided hit.

Brand new shapes, colors and trimmings in soft hats; the smartest styles ever shown in New Bern; prices

\$2.00, \$2.50 and \$3.50

The young men will find the styles to their liking; for they are novel, new and nobby. Plenty of staple shapes and styles for older men.

The styles in Stiff Hats are entirely different for this fall; tapering crown and roll brims. The correct shapes in Stetson and Schoble blocks in the feather-weight, conforming hats.
