## HAVE NO SECOND-HAND DRUGS to offer you, but have just returned from Baltimore, where I purchased a full and complete stock of Pure Drugs and Chemicals fresh from the manufactories, and which I propose to sell as CHEAP or CHEAPER than elsewhere. We all very much dislike to have to take medicine, but when we do, is it not natural that all intelligent people prefer to buy their Drugs where they can get them Pure and Fresh. This is where I count on your trade.

I can as fully and confidently commend to you my line of Toilet Goods, Stationery, etc. Respectfully.
