The Marion Record.

DEMOCRATIC NEWSPAPER.

The report of the Board of Health

for New York City for the past year

shows that it was the Lealthiest since

England is having hard times, notes

the Courier-Journal. Its !easling

securities declined nearly half a bill-

ion dellars in value during the past

year. Its imports fell off \$38,000,000

and its exports \$32,500,000. Its trade

in coal and textiles dwindled alarm-

Under the heading, "frelaid in

1893," the London Times says that the year was one of the most peaceful and

prosperous of the century. Since 1826

there has been no better agricultural

freer from distress. There are many

signs of the material and moral im-

Navigation of the great lakes dat-

ing the season of 1893 resulted in the

loss of 123 lives. The number of ves-

sels lost was tifty-three, with an ag-

gregate tonnage of 21,258, and valued

at \$1,040,400. Partial losses by

strandings, collisions and fires bring

the total up \$2,112,588. The shallow

waters of Lake Eric claimed nearly

half the lives lost, Lake Huron being

Oklahoma is going to knock very

hard for admission as a State, declares

the St. Louis Star-Sayings. The Ter-

ritory was organized only three years

ago, but in population and wealth it is

to-day far in advance of the other Ter

ritories seeking a Imission as States.

The report accompaying the applica

tion for admission as a State shows

that she has 2,372,482 acres of

land in farm use valued at \$13,022,.

345. In the last year the farmers har-

vested 284,254 acres of corn. 222,319

acres of wheat, 109,374 acres of oats,

21,311 acres of cotton, 18,755 acres of

sorghum, 14,121 acres of Hungarian

millet, and 4425 acres of broom corn.

It is almost as large as the State of

Illinois, and has a population of about

250,000, which is greater than that of

any other State when a lmitted to the

Union. Its assessed valuation of

property in 1891 amounted to \$6,878,

\$13,951,056. It has six National banks

with deposits of \$685,574. The Terri-

torial Legislature has been attentive

to educational matters, and there are

already in nearly all the districts

leges, and an agricultural and me-

chanical college at the town of Still-

water. In religious matters it has also

kept pace with many of the older

States. In the Territory there are

165 Metho list churches, twenty-five

Baptist, twenty-four Congregational,

byterian, six Episcopal, and fifty

Christian Endeavor Societies. This

Says the New Orleans Picayone

"Now that the record of business fail-

very remarkable facts are brought to

light. In the first place, according to

Bradstreet's, the total business failures

during the past year amounted to an

increase of fifty-one per cent. over

the previous year, the largest increase

as well as the greatest total for a

usual in panic years, the assets bear a

larger proportion to the liabilities

than is usually the case. The failures

are greatest in the central Western

coast, and comparatively light in the

South. In four Southern States the

total failures for the year were actually

smaller than during the previous year,

these four States being Louisiana,

Florida, Alabama and Mississippi.

Louisiana showed only ninety-six fail-

ures, against 116 during 1892, which

is a remarkable showing considering

the financial panic and the monetary

pressure which prevailed here during

the summer. Not only was the total

number of failures light, but the show-

ing of assets and liabilities was small

considering the business contraction.

The total liabilities of failing traders

were a trifle more than a million of

dollars, the bulk of which a few insti-

tutions were responsible for, so that,

eliminating a couple of large failures,

the individual liabilities of the bulk of

the failing traders were insignificant.

The reason of such small business

named is not hard to seek. There has

been, for instance, no disposition to

inflate values of recent years in this

sure. The immunity of the South

attention of investors in this direction.

d mass of returning confidence"

ways wants his copy back.

#### A CHATTANOOGA KILLING

is a remarkable showing for Oklahoma, and we can scarcely believe, wilds the Banker Henson Kills Insurance Agent Wert Star-Sayings, that Congress can refuse

CHATTANGOGA - The town is wild with excitement over the killing of J. B. Wert by Geo. N. Henson, former an insurance man, the latter a big bank president Henson had been ures during 1833 is available, some suring for a divorce from his wife, charging intimacy on her part with Wert, who had lately been expelled from the Methodist church. The two men had been fearfully avoiding each other for some time. They met on a descending elevator, and before it reached the bottom floor Henson had fired several shots into West. Henson alleges that he saw West reach for a weapon, but single year on record. The liabilities Wertwas unarmed. 15th nevery prowere correspondingly large, but, as minent.

For the Cyclone Sufferers. BEAUFORY, S. C .- Col. White no knowledges the receipt through his States, and were heavy in the Eastern Broadway, N. Y., two large cases conson-in-law, G. F. Lawson, of No. 486 and Middle States, large on the Pacific taining four hundred suits of ready made clothing and an additional check for \$400 for the benefit of the sea island cyclone sufferers. This latter amount up to this time aggregates \$4,860 received by the special relief committee, consisting of Col. T. G. White, George Thomas Talbrid and Drs. & P. Prioleau and W. Perev Gibes from this and other contributing ources for sufferers, who in their dis cretion need succor and aid and to whom help has been extended and without discrimination.

Noth Nominated for Governor BIRMINGHAM, ALA -The State convention of the Jeffersonian Democrator Kolbites and the Peoples Party was held here, and a full State ticket nom inated to oppose the regular Deme cratic ticket. At noon the Kolbits Peoples' Party convention and the two conventions combined into one. The nominee for Governor is Reuben F. Kolb, of Montgomery.

The platform adopted declared for an income tax, a free ballot and fair count, and opposed the repeal of the 10 per cent, tax on State banks. The Republican convention met and leeided not to support Kolb.

Troops to Protect Negroes

section, and poor crops, coupled with unsatisfactory prices, for several years RICHMOND, VA - Persuant to a call from the Sheriff of Prince William a policy of rigid economy and concounty, Gov. O'Ferrall ordered the servatism which left little room for excessive and sudden financial presto Manassas to aid the civil authoritie protecting two negroes to be tried there for assaulting two women. from financial disaster has turned the egroes were taken to Alexandria to prevent lynching. The Sheriff in his requisition says he cannot get a posse and, consequently, placed our people sufficiently strong to protect the prisin a position to profit by the first evioners upon their arrival at Manaseas unless aided by the military.

#### THE FLY WHEEL BURST.

And Engineer Lewis, of the Spartan Cotton Mill, Killed.

SPARTANBURG, S. C .- A terrible ac cident occurred at the Spartan Cotton Mills Tuesday morning at ten minutes to 6 o'clock, which resulted in the death of Engineer James Lewis and the dea-truction of the boiler and engine room The large fly wheel, which is 24 feet in diameter, and seven feet wide, flew to pieces, demolishing the walls and timbers of the engine room and tearing

The falling of the walls and root awakened the sleeping inhabitants for squares away. People rushed out of their houses, thinking that another carthquake had come. Large pieces of the fly-wheel, weighing hundreds of pounds, were hurled through the mas-sive brick walls and worked destruction wherever they struck.

Engineer Lewis, was, as soon as possible, removed from the ruins. His body was in a mangled condition and considerably burnt by steam. What caused the accident is not

known; it is a thing that no one can Capt. Montgomery, the president of the mills, has a large force of hands clearing away the wreck, and in thirty days' time it is thought that the mill will be running again.

Should it take longer than thirty days the pay of the employees of the mill will continue until work is re-

#### Must Bestir Thomselven

Bramsh, the famous German sea port, has addressed an official comunication to Clarksville, Tenn These two ends of the earth have thus come together, because, as Bremen charges and Clarksville admits, the tobacco packed at the latter place and shipped to the former falls far short of the samples furnished to the Bremen tobacco importers. The importers announced that they would give no orders for Clarksville tobacco until a satisfactory reply should have been received to the circular of com-The Clarksville Board of Trade, which had already been investigating the question of fraudulent tobacco packing, not only Bremen, but thanked the importers for their circular of complaint, and henceforth Clarksville is likely to maintain her good repute in the tobacco importing world. Clarksville is a town of 8,000 inhabitants, the county sent of Montgomery con up on the Kentucky border and the depot for a large tobacco-growing area. As Bremen is a tobacco port of extensive trade, neither Clarksville nor any other American depot can be comfortable when the Bremen tobacco importers look askance at its products

The Governor and the Typesetting Machine (From the Galveston Daily News, 1 Governor Hogg was shown the

nechanism of the machines, and invited to take a sent and set up his name. It is necessary in operating the keys to touch lightly and quickly In the first effort the Governor's tonel was not delicate enough, and as the type poured down the Governor thought machine was coming to pieces. "What's the matter with that blamed

thing?" inquired the Governor. He was told not to press the keys s long, and he proceeded to finish his name, and here is what he set, printed from the identical line he made with

JJJJJ ... 8888. HHHHOO GGGG

RALEIGH, N. C.-Some time ago the ather of a 6-year-old girl sent from Texas here for her to be sent to him by express from Raleigh. The express man said he could not receive the girl. Now the father writes and asks that the child be sent in the ordinary style of passengers. Learning that the King's Daughters had been very kind had been taking care of her, the father very politely wrote that if one of the K. D's would accompany the child to Texas he would marry the lady.

#### A Co'lege Boys' Prank.

ATLANTA, GA .- Mr. Sidell, who has control of the nickel in the slot machines, has reported to the chief of police that some of the Virginia Glee Club carried off a chewing gum slot machine which stood opposite Spillman's seloon, on Alabama street. The young men were quite gay and did it as a joke. The machine was hauled to the special car in a back. The car was searched at Marietta on wired instructions from Chief Connelly but it was not found.

#### Killed at Sportanburg.

SPARTANBURG, S. C .- In a whiskey raid at Wellford, 12 miles from this city, Crawford Ballew was shot and killed by State Constable Massey. The Coroner's jury rendered the following verdict, which is singular in its phraseology: "We, the coroner's jury, agree that the deceased, Crawford Ballew, came to his death on February 3, 1894 by a gun shot wound in the hands of F. G. Massey, while resisting officers of the law." Massey was then placed under arrest.

#### Sam Jones and Ingalls Meet.

NASHVILLE, TENN.-When Evange list Sam Jones called for penitents at the Gospel Tabernacle in this city, where he is holding a revival, the first person in the line of those who went forward to take his extended palm was no less a personage than Hon. John James Ingalls, of Kansas. Mr. Ingalls was in Nashville to lecture

I endorse every word you say," he remarked earnestly as he grasped the evangelist's hand. "God bless you," responded Mr. Jones, fervently,

#### Populists are Organizing.

RALEIGH, N. C. - The Populists are thus early beginning to hold county meetings for the purpose of organizing clubs. At each meeting a letter from Chairman Taubeneck, of the national executive committe, is read urging the mediate organization of clubs, in each township. It is said these clubs are to meet publicly and have no sign or passwords, such as the Populists used in their organization two years ago, and that their motto will be "an honest government and a fair count."

#### Passed the Senate.

RICHMOND, VA. - The Senate passed county, Gov. O'Ferrall ordered the Alexandria Light Infantry to proceed the November election on the question of so amending the constitution as to dispense with jury trials in cases of mis-lemeaner, and thus giving triel justices the jurisdiction and powers they had before the decision of Supreme Court of Appeals in the celebrated Miller cas-The bill only awrits the signature of the Governor to become a law.

#### Hanged For Killing His Sweetheart.

At Winston, N. C., in the presence of over 6,000 people, Peter DeGraff, paid the penalty of the murder of his weetheart, Ellen Smith. Sheriff Mc Arthur sprung the trigger at 12:55 and in an instant the life of the condemned man was out. His neck was broken and death was instantaneous, but the heart's action continued for seven

In his speech DeGraff made a con fession of the crime, which he has always bitterly denied. He talked apidly but was not excited. He said

"That thing you call corn liquor, cards, dice, and other games of chance, stols and bad women, are the things which have brought me to this place, o stand on this scaffold. I have kept each for mouths what I am going to tell you. God told me to keep it back. Yes, I shot that woman. I was drunk at the time. I put the pistol to her breast and fired it. The only words she said after I shot, were: 'Lord, have nercy on me.' I stand here to-day to ceive my just reward."

He concluded his remarks by telling his hearers not to do as he had done When Peter shook hands and told his two brothers and the officers good bye; the scene was a sad one. He gave his Bible to his youngest brother.

#### Fersimmons and Crab Apples on One Tree

There is a curiosity in the tree line sear Cobstta, Ga., that I never saw mentioned in print," said Lee Jordan of Cleveland. "It is a tree which cers persimmens on one side and wild crab apples upon the other. Of course as a matter of fact, there are two trees or it takes a very close examination of onvinces person that there are. They ave grown so closely together that each has lost it identity, so far as appearance is concerned, and the people its neighborhood insist that it is The persimmon side is the most fruitful, and produces a fairly good yield of fruit, which is not in the least affected by the presence of the rab apples. The other side does not ear very well, and it is only during in occasional year that there is a vield of erab apples, but both sides have seen known to bear good crops in the same year. The roots have never been

#### B tler on the Hustings.

BENNETTSVILLE, S. C. - United States nator M. C. Butler made an address here before a large audience from var troduced by President Evans, of the State Alliance. He declared his course in national politics, stating that he had advocated free silver since 1881. He eemed to bave many friends among the Marlboro farmers in his race for re

Stolen Whiskey Hid Under a Church. A dispensary robbery which occur ed at Kershaw, S. C. two men samed Hilton and one named Davis, all white, were arrested for stealing 60 quarts of Tillman's XXX from the dis pensary. A small colored boy heard a hen cackle under the Methodist Church. He went under the building in search of the egg and discovered the whiskey hid under there. men were suspected, arrested and car-

#### Gin House Burned.

SPARTANBURG, S. C .- A disastron occurred at Fairmont, twelve miles from this city. The gin house belonging to Joe C. Smith, was entirely consumed. All of the machin in the flames. The fire occurred about 11 o'clock. It was incendiary and Hampton Smith has been arrested for applying the torch.

#### Women In Power Out West.

Mrs. Annie S. Austin, the newly elected mayor of Pleasanton, Kansas, is described as "a buxom woman of 200 pounds, and quite intelligent. Her husband is a rail; oad employed She was the leading speaker in the campaign which resulted in her election, and electioneered so cleverly that she went into office with a majority of 12 votes.

Four were "illed. WARM SPRINGS, VA. - News has just seea received here of a fight on Black Allegheny Mountain, near the West Virginia line, between several deputy Inited States marshals and a party of illicit distillers. Two of the marshale were killed, as were also two of the listillers, and one man, Ham. Collins, who is known here, was badly wounded.

Five Years From a Sentence. COLUMBIA, S. C. Governor Tillman knocked off five years from the term of Colonel J. H. Morrow, the wellknown horseman, who was sentenced o six years in the penitentiary for aiding in the malpractice that brought about the death of pretty Colie Fowler

#### Killed by the Sheriff.

RALEIGH, N. C. - John Maze, colored, broke into a store at University sta-tion. He was pursued by Sheriff John Cates, of Durham county, who came up with him at Hixtown. Maze drew knife and attempted to sheriff, who then shot him dead.

#### His Eveball Carried Off by an Owl. CAPE GIRARDEAU, Mo. - John Rider

of Dutchtown was out coon hunting Tuesday night and while looking up a tree for a coon an owl flew striking him in the eve with his claw tenring out the ball and carrying it away.

## Died and Taken Home.

J. Walter Campbell, of Columbia, S. C., belonging to the Washington, D. C., district mounted police, died there of pneumonia, after four days illness and his remains were taken

#### Houk, of Ohio, Breas Bead.

Washington, D. C .- Representative George W. Honk, of the Third Ohio district, dropped dead from heart disease at 4:30 o'clock, p. m., while visiting friends.

#### SCIENTIFIC AND ISDUSTRIAL.

Eight cubic feet of snow produce

The first electric machine, a globe of sulphur, was made by Guericke in

In Germany there is a law forbidding restaurateurs to serve beer to people who have eaten fruit.

The apple has a larger proportion of phosphorus than any other fruit, and is, therefore, an excellent brain food. The average cost of building an English ironclad is \$24) per ton; French, \$275; Italian, \$285; German, B. G. PEARSON

A wind blowing at the rate of nine teen miles an hour exerts a pressure o but one and four-fifth pounds to the square foot.

The newspapers report the striking of a gas well near Port an l. Ind , the daily output of which is over tix mill ion cubic feet.

A Japanese novelty is "glass pawhich is said to combine won per," which is said to comming out-derful transparency with unusual strength and tenscity. The material for making it is furnished by a Japanese aquatic plant. Sacchaine has a rival. A new sub-

stance called valzin is now being

manufactured in Berlin under a pat

ent, and is claimed to be 200 times weeter than sugar, and free from cer tain objectionable properties of sacha Railway mathematicians calculate that a train which can speed at the rate of eighty-five miles an hour would require from seventy-two to seventy-five seconds in which to "pull-up" or

come to a stan Istill. It would require nearly a mile in which to stop. A new process of making rain was recently brought before the Academic des Sciences, Paris, by M. Baudoin. His theory is that electricity maintains the water in clouds in a state of small drops and that if the electricity be discharged the water will come

Several farmers who had been sum moned before London magistrates on the charge of selling adulterated milk, were dismissed on proof that the thin quality of the milk was due, not to added water, but to the impaired coudition of the cows, in consequence of the great drouth

A somewhat widespread belief is that water can be heated only to 212 degrees Fahr. This is true of unconfined water, but under a pressure o ten atmospheres (159 pounds to the square inch) the water may be heated

The bee works harder than most people would believe. There about sixty flower tubes in every head of clover and only a tiny morsel of honey in for a load the bee must visit about six thousand different flowers, and each bee makes, on an average, twenty trips a day.

A Stolen Relic of '64. RALEIGH N. C .- The State Treasurer s received a State bond which was found to have quite a history. At the close of the war Federal troops at the then hamlet of Durham, forced open a safe belonging to the family of the late Gen. L. O'B. Branch, of Raleigh, and from this took several bonds. By special act of the Legislature duplicate bonds were issued to replace the stolen ones, and these duplicates were all received at the Treasury som years ago. When the stolen was received it was found that rn at tempt had been made to forge one ignature and that another name was written which is unknown in this The stolen bond had thus for years been in use as a valid security.

#### Robberies Galore.

LAKE CITY, S. C .- Quite a series of obberies have been committed along the line of the Northesstern milrone within the last three days. On Wed nesday night the depot at Effingham was entered and robbed and on Thursday night the depot at Scranton wa broken into and spoiled. On Friday night the deput at Goudire's postoffice and the store of Mr. Nettles, both in the same building, and the deput at Wilson's Mill were entered and rob bed. The object of the robberies seems to have been money, as little goods were taken. No arrests have been made. It is believed that all o the robberies were committed by one and the same party, whose name is it the possession of the railroad anthor ities, but, for sufficient reasons, cannot now be given to the public. Some of the stolen goods have been recovered

### Wants 10 Per Cent Tax Abolished.

RICHMOND, VA. - A resolution was ntroduced in the House of Delegate earnestly requesting the State's Repre sentatives in the Congress of United States to use every possible effort to have abolished the 10 per cent tax on State's banks' issues

The Bicyclist Beat the Horses JACKSONVILLE, FLA. - In a ten-mile race against five trotters here. Jack Prince, champion short-distance bicyclist, easily beat the horses Time 31:07. The race was for \$250 a side and gate receipts.

#### FIFTY-THIRD CONGRESS.

The Senate.

Office opposite the Flemming House.

THE

### Marion Record

Is the only Democratic Newspaperia McDowell county, and has a large cir. culation in adjoining countries. It pub. lishes all the news without fear or favor, and is the organ of no ring or

ple's rights, an earnest advocate of the best interests of the county of McDow. ell and the town of Marion. Its advertising rates are reasonable, and the subscription price is \$1.00 per year in al-

matter for business men, farmers, mechanics, and the home circles of all classes subscribe and pay for the RECORD. If you don't, why just don't, and the paper will be printed every Thursday evening as usual. If you haven't enough interest in your

county's wellfare to sustain the best advocate of its diversified interests, and its truest friend-the newspaper-you need not expect a 2-column obituary notice when your old stingy bones are hid from the eyes of progress in the

All who owe subscriptions to the

unless they pay up at once.
