It is useless to do so, but we cannot say too much in praise of our popular cand date for re-election as sheriff, Geo. H. Gardin. He is one of the best men in the counconfined to the limits of his own

According to reports from the west the Duke of Duplicity, Pearson, will be the worst beaten man that ever ran for congress in this district. Crawford is gaining friends every day, and the Rads are sick over their action in endorsing Penrson.

THE Radicals try to prejudice the farmers against the Democratic party by howling about wool, and the sugar tax. Remember that one pound of wool will buy more sugar today than it would under the Mc-Kinley law, and we dare you to deny it.

It is said that the Republico-Popyoulie party in this judicial district have decided that Leander Green shall come down and Judge Jake Bowman shall be put up as a candidate for judge. We told you, Leander, that you would not meander. Now come home. The Democrats will forgive you, and while our prodigals have been so many that our fat calves are exhausted. we will give you the sweet revenge of seeing Jake Bowman defeated.

BROTHER JOHN BROWN wanted to go to congress two years ago, but decided that W. T. Crawford was a better man for the place than himself or Pritchard, and withdrew. This was a wise act on his part. He has decided now to stay at home, and be clerk of the court, him.
