AN APPLAL TO THE GENEROSITY OF THE PUBLIC.

MARION, N. C.

Nov. 28th, 1894. Our town having been literally destroyed by fire, there is no business house left standing from which to buy supplies, dwellings, clothing and furniture gone. The people are in an utterly destitute condition. The cold winter is at hand, and about thirty families are homeless. We the undersigned having been appointed a relief committee, to appeal for help, ask any one, who can aid us, to send provisions, clothing or in fact anything to relieve the suffering people we will see that it is properly used. Anyone in Marion, who receives telegrams or letters, offering assistance, will hand such communication to us. Committee:

G. W. Crawford, John F. Morphew, J. C. Brown, Geo, E. Lee, L. L. McKay. All papers please copy.

It is admitted that the Republicans and Populists composing this grand army will not and cannot agree on a National platform and caring for them as well, they would get as they stopped at the river britantic. a National ticket in 1896, but I naming one half the Electors money out of t. em.' rather than give the whole number to a hard times Democrat.
