DONALD KENNEDY, OF ROXBURY, MASS.

When the lungs are affected it causes shooting pains, like needles passing through them, the same with the Liver or Bowels. This is caused by the ducts being stopped, and always disappears in a week after taking it. Read the label.

If the stomach is full or bilious it will cause squeamish feelings at first.

No change of diet ever necessary. Eat the best you can get, and enough of it. Use, or take, only in water at bed-time. Sold by all Druggists.

## THE MERRY SIDE OF LIFE.

STORIES THAT ARE TOLD BY THE FUNNY MEN OF THE PRESS.

Strayed—A Veteran—The Mother of Invention—Misunderstood—Possibility of Roosters, Etc., Etc.

Merry had a little lamb, he followed her each day, till Mary put the bloomers on and then it ran away. —Louisiana Times.

A VETERAN. Lawyer—THE CROSS-EXAMINATION didn't seem to worry you a little bit. Have you had any previous experience? Client—"Six children." —Brooklyn Life.

THE MOTHER OF INVENTION. "What're ye pullin' off the pig's tail for, Mandy?" "Well, you see the dinner horn's broke, and my voice ain't strong enough to reach where the hands are, so I hit on this idea." —Harper's Bazar.

MISUNDERSTOOD. Boarder (suspiciously)—"There is no foreign substance in this coffee, is there?" Landlady—Um—er—well, I'm afraid there is, sir. The spoon in it is a souvenir from India, I believe." —Detroit Free Press.

POSSIBILITY OF ROOSTERS. At the gardener's: Lady—"What are these little green plants?" Gardener—"Eggplants, mum." Lady—"Well, now, if I should buy some and set them out are you sure they'll lay?" —Chicago Record.

HIS DEFEATED TROUBLE. "Doctor, kin yer prescriber fer a dick feller fer nothin'?" "What's the matter with you?" "Indigestion." "Overeating?" "Naw; nothin' in me stomach to digest." —Chicago Record.

THOSE GENERAL QUESTIONS. "Whose funeral is that?" "Charley Hoekersmith's." "What! Is Charley dead?" "Oh, no! It is his twin brother who is dead, but as Charley is a bachelor and his brother has a wife and four small children, Charley prevailed upon them to bury him in his brother's stead." —New York World.

NOT A BOMBARDMENT. Kissam—"Has her papa ever fired you?" Higgins—"He has never resorted to bombardment. His tactics are more in the nature of a passive blockade." "How is that?" "When I call to see his daughter, he remains in the parlor during the whole of the interview." —Detroit Free Press.

WOMAN'S FEARS. The new woman prisoner looked over the jury of gentlemen in the box.

"May it please the court," she said with great hauteur, "I desire to be tried by a jury of my peers."

"It is impossible, madam, I am sorry to say," replied the gallant judge. "This court hasn't the power to summons angels to serve on juries." —Detroit Free Press.

HE COULD BE TRUSTED. "Do you think, sir," said the girl's mother, "that you have the patience and forbearance to be a kind husband?" "Madam," replied the young man, in earnest tones, "I can put a fourteen and a half stand-up collar on a number fifteen shirt without saying a single strong word."

ONE OF THE UNITED STATES. Miss St. Upid—"How many States are there, Mr. Jester?" Mr. Jester—"Forty-four, I think, without counting matrimony."

Miss St. Upid—"Matrimony?" Mr. Jester—"Yes; it's one of the united states, you know."

Miss St. Upid—"No-o, I didn't know, but they've admitted so many lately that I never can remember all their names." —Harper's Bazar.

IT STOOD THE TEST. A public writer had a partition wall fixed up in his study, and ordered the carpenter to make it in such a way that no sound could penetrate through it.

"The best thing will be to fill it with shavings," said the man, and set to work.

When he had finished his employer went and stood on one side of the partition and called out to the man, who was on the other side:

"Do you hear me, Janike?" "No, sir," was the prompt reply.

REFUTED. Old Friend—"I was surprised to hear that you had married, Mr. Head."

Mr. Head—"Well, he persisted in hanging around wherever I went, and there wasn't a night that he didn't call and stay until I was most tired to death. So I married him to get rid of him."

Old Friend—"Humph! Have you got rid of him?" Mrs. H.—"Oh, yes, long ago; he has joined two clubs and six lodges." —New York Weekly.

THE GOOD ROADS MOVEMENT. Col. Albert A. Pope, who has done such good work for the national good-roads cause, writes:

"It would be a good thing if the Government would extend the good-road work in the Department of Agriculture and build the great national highways. Then, if the States followed the example of New Jersey and Massachusetts and built State roads, leaving to towns and cities the streets, we would, in the course of time, develop a system of highways not equalled by any in the world. It has got to come. Perhaps we may not see it, but I hope to. Horses have seen their best days. Electricity and bicycles have partially done away with their use, and before the century expires practical motor-carriage will be in use. Then the demand will be for still better roads and good roads in all directions, and the poor old horse will be relegated to the country, where he belongs."

## WHICH SIDE ARE YOU ON?

FALMAGE ON GIDEON'S BATTLE.

O, Surrender—Christ With His Hand on His Pierced Side Asks You To!

Text: "And the three companions blew the trumpets, and brake the pitchers, and held the lamps in their left hands and the trumpets in their right hands to blow withal. And they stood every man in his place round about the camp, and all the host ran and cried and fled." —Judges vii, 20, 21.

God had told Gideon to go down and thrash the Midianites, but his army is too large. For the glory must be given to God and not to man. And so proclamation is made to all those of the troops who are cowardly and want to go home may go, and 22,000 men were scattered away, leaving only 10,000 men.

When Nature Needs assistance it may be best to render it. It is a good rule to remember to use even the most perfect remedies only when needed. The best and most simple and gentle remedy is the Syrup of Fig manufactured by the California Fig Syrup Co.

## Stone Sawing.

Did you know that stone can be cut with a saw, and marble, too? The saw look very like the big saw used in steam saw mills, but are heavier. Perhaps you know that it takes one hour to cut through eight inches of stone you will realize what a hard substance it is. A man in Philadelphia has invented a saw which recently cut through a stone ten feet long and two feet thick in forty-five minutes, so that a great gain has been made in stone sawing.—The Outlook.

It is a mistake to believe that the London press has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known for this disease. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly on the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution. A building nature in doing so. The cure is so simple and so gentle that it is suitable for all cases that it is a cure. Send for full particulars. Address: Dr. J. C. HENRY & Co., Toledo, O. 137 1/2 St. by Druggists, 75c.

The readers of this paper will be pleased to learn that there is at least one drug disease that has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known for this disease. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly on the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution. A building nature in doing so. The cure is so simple and so gentle that it is suitable for all cases that it is a cure. Send for full particulars. Address: Dr. J. C.
