"A DEMOCRATIC FAMILY NEWSPAPER."

VOL. 4.

MARION, N. C., THURSDAY, OCTOBER 17, 1895.

NO. 41.

TREASURY GOLD RESERVE.

The Situation More Encouraging Than
For Many Years.
The amount of the gold reserve at the
Treasury Saturday was \$30,000,000, a
net gain for the day of \$208,797. Of this
amount \$29,500,000 was deposited in the
Treasury of Philadelphia, \$50,000 in Chi-
cago, \$10,000 in St. Louis, about \$25,000 at
the Denver assay office and the balance
in various other sub-treasuries,
including \$10,000 in silver certificates of
gold standard which were reckoned for and
entered in the books for gold.

The present situation as to gold with-
drawals at the Treasury Depart-
ment is believed that at any time with-
in the next few weeks, and, in the opinion
of experts, in October, the rate of sterling
gold will be reduced to withdrawals for
exports. The present indications are
that the exchange gold for non-legal
specie will decline a return to normal
and a turn in the tide of gold

exports.

TYPHOID AND DIPHTHERIA.

Ravages of the Diseases in Ky. Louisville's Death Rate Doubled.

The health authorities of Louisville and
the State are alarmed at the presence of ty-
phoid-fever and diphtheria, which are raging
as was never before known in Kentucky.
The death-rate in Louisville for September
was doubled, on account of the prevalence
of this disease, and there has been no abate-
ment. From all sections of the State, re-
ports come of the ravages of typhoid,
while the danger from diphtheria is almost
as great. Two hundred and fifty cases of
typhoid are reported from Granton.
