### MARION.

THE DEMOCRAT has received from Editor Hetherington, of the Lakeland News, Olando, Fla., a copy of that paper which contained Marion and Western North Caroseveral days in Marion and several weeks in this section.

"If thou art worn and hard beset With sorrows that thou wouldst forget-If thou wouldst read a lesson that will

Thy heart from fainting, and thy soul Hendersonville Hustler says: from sleep-Go to the woods and hills! No tears

Dim the sweet look that Nature wears.

Perhaps every dweller in the Sheriff Blackwell has received a lowlands feels at times, more or telegram from the sheriff of Mcless insistent, the longing for the Dowell county reading like this: peace and silence of the high places. Certain, if his early life were passed in a broken country, his memory many times will go back and linger lovingly amid the cool shad- know something of him-all he hood's hills. In one of Miss Johnston's splendid romances, the heroine, sorrow-stricken and sick al-

most unto death, sets out to make roll over down the embankment The hundreds of summer vantors her way back to the mountains of and escape. So the Sheriff sighed her early youth. In this instinct- with relief to know his escaped ive longing for the companionship prisoner was safe and not dead of of the hills, many a wounded heart starvation as he had feared. will sympathize with the lovely and ill-fated Audrey.

crowd there are purpling peaks and wooded slopes, where Nature has stored a balm for every heart escaping. He escaped from jail in lors. Nothing was sold Firety that mourns, a solace for every Washington, D. C., while serving soul world-weary and passion-sear- in the army, got away from the ed. In the holy hush of the for- Raleigh institution last May, and est's dim recesses, where, "like Druids of old," the columns of him there, jumping, handcuffed "God's first temples" stand in ser- from the car window while the ried ranks, the little things of life train was going about 35 miles an seem very far away; and a great hour. He escaped near Statesville might enable them to buy a fall peace reigns, like to that which Sheriff Powers, will use every predwells within the solemn arches of caution to land his dangerous prisold cathedral halls. Stillness un- oner at the State capital" broken-save from the redolent earth, vague, mysterious whisperings that soothe, and soft sighings that fill the soul with a sweet sadness, like to the memory of one towering above, the sentinel hills, solemn and somber, and pregnant with silences and secrets inscrutable-then calm and majesty rebuking ever the sordid struggles, the fevered follies, the shams and foibles, the ant-like littleness of that which men call life!

We must go back from the hills -back from their brooding peace to the turmoil and the grindwhere enmities are ever bitter and friendships are sometimes false. Back from the mountain's majesty to life's petty commonplaces—the offins and Burial Supplies little things that wear men's hearts away! Back from woodland wanderings to the amphitheater of the streets-where the race is mostly to the swift and the battle to the

> Yet, thank God for the woods and hills-where sometimes one may seek rest for the wearied spirit, respite from the strife! Where only echoes, faint and very far away, remind us that still the relentless Juggernaut of Fate is crushing human hearts and hopes -where we may forget for a little space man's inhumanity to man!

#### Grandfather Mountain Park.

Messrs. Hugh and Donald Mac-Rae, of Wilmington, have made the State very much their debtor by presenting Grandfather mountain as a gift. This great peak, towering out boldly from and above its surroundings, affords one of the finest views anywhere. The Yonahlossee turnpike, built by the Messrs. MacRae, runs along the mountain side, and other circumstances conspire to render Grandfather comparatively accessible. This acquisition, as our Raleigh correspondent has noted, follows the splendtd gift made some time allasting on the Caro- ago by Mr. George W. #### BLUE LAWS.

### Goes From Marion to Foreign Papers.

The following article appeared in several North Carolina papers Monday morning and was widely copied. The author of this article and the one sent out several weeks ago is unknown.

"Marion, Aug. 29. The blue laws are no more, the city fathers have run to cover, cold drinks can be bought at any drug store, consternation reigns in town while bundred or more pretty girls are cracking soda pop bottles and ing ice cream a few feet outside the town limits upon a hill over looking the town and in the very shadow of the mayor's home.

The blue laws lasted but one Sunday and today they are not be ing enforced and it was all because the summer girls here positively would not stand them Here's the

Some time ago the mayor and town council passed an ordinance preventing the sale of cold drinks "Lewis Hyder has a record for the drug stores and toe cream par
