

Mexican Mustang Liniment For Man and Beast.

It is the most economical remedy because it is made of oils and don't evaporate like alcohol liniments. It penetrates to the bone in a hurry and healing begins instantly.

One of our enthusiastic friends writes:

I think Mexican Mustang Liniment one of the greatest medicines I ever saw, and always keep a bottle or so in my stable. I've never known a single instance where it failed to give satisfaction, and I have been selling and using it for 10 years. Respectfully yours, PAUL HOFFMAN

Chinese Names of Places.

Chinese names of places often define their character. Thus the terminal "yang" means fortress, "Pingyang" the "fortress of peace." "Cheng" means a walled city, as Fenghuangcheng the "Phoenix walled city." "Shan" is a mountain, "hai" the sea, "kuan" a camp; thus Shangkuan is the "mountain pass; Motienling, near Mukden, is the "heaven scraping pass."

The suffixes "tao" and "to" indicate islands; "po" or "pu" a harbor; "wan," a bay; "kiang" and "ho," a river; "kow," a port; "fu," a first class city; "ju," a provincial capital; "pai" is north, "nan" is south. "king" is capital. These suffixes help to explain such familiar names in these days as Santsuan, Chenai, Taitienwan, Yangtsiang, Hoangho, Yinkow, Che-fu, An, Peking and Nanking. New York Tribune.

On Spring Cleaning.

Now is the time for you to paint and fix up, and make home look as if there was a little enterpris around you. Take the garden rake and collect all the old rubbish of 1909 in a pile and set fire to it, don't burn the house down in the operation—and let it be burned up and never to collect there again. Then go for that pile of ashes collected during the winter and remove it far hence so that your yard will look as if some one was living there. There is no place like home, therefore make it beautiful, delightful, enchanting and your attachments for it will be the stronger.

Tell Your Neighbors

When in need of a cough medicine to use Dr. Bell's Pine-Tar-Honey. It is the best. Look for the bell on the bottle.

A young woman said she was born to be a farmer's wife because she engaged in milking when an infant and took to cradling early. Later she often cut up and sheeked her parents and filled her crib. At an early age she learned to sew, and she had cultivated her acquaintance with a young agriculturist, and as soon as she placed her affections she intended to "make hay while the sun was shining." This was too much for an impressive tiller of the soil, so he gathered her up into his arms and garnered her.

The ingredients are on the carton. Dr. Bell's Pine-Tar-Honey contains no habit producing drugs, and always gives satisfaction. Look for the bell on the bottle.

There are killed annually in the mines of the United States three times as many men per thousand as there are in the coal mines of most European countries.

Woods Liver Medicine in liquid form regulates the liver, relieves sick headache, constipation, stomach, kidney disorders and acts as a gentle laxative. For chills, fever and malaria. The Tenderfoot Farmer

It was one of those experimental farmers, who put green spectacles on his cow and fed her shavings. His theory was that it didn't matter what the cow ate so long as she was fed. The question of digestion and nourishment had not entered into his calculations.

It's only a "tenderfoot" farmer that would try such an experiment with a cow. But many a farmer feeds liberally regardless of digestion and nutrition. He might almost as well set shavings for all the food he gets out of his food. The result is that the stomach "weak" the action of the organs of digestion and nutrition are impaired and the man suffers the miseries of dyspepsia and the agonies of nervousness.

To strengthen the stomach, restore the activity of the organs of digestion and nutrition and brace up the nerves, use Dr. Pierce's Golden Medical Discovery. It is an unfailing remedy, and has the confidence of physicians as well as the praise of thousands headed by its use.

In the strictest sense "Golden Medical Discovery" is a temperance medicine. It contains neither intoxicants nor narcotics, and is as free from alcohol as from opium, cocaine and other dangerous drugs. All ingredients printed on a outside wrapper.

Don't let a dealer delude you for his own profit. There is no medicine for stomach, liver and blood "just as good" as "Golden Medical Discovery."

After The Grippe

"I am much pleased, to be able to write and thank you for what Cardui has done for me," writes Mrs. Sarah J. Gilliland, of Siler City, N. C.

"Last February, I had the Grippe, which left me in bad shape. Before that, I had been bothered with female trouble, for ten years, and nothing seemed to cure it. At last, I began to take Cardui. I have taken only three bottles, but it has done me more good than all the doctors or than any other medicine I ever took."

Take CARDUI The Woman's Tonic

For the after-effects of any serious illness, like the Grip, Cardui is the best tonic you can use. It builds strength, steadies the nerves, improves the appetite, regulates irregularities and helps bring back the natural glow of health.

Cardui is your best friend, if you only knew it. Think of the thousands of ladies whom Cardui has helped! What could possibly prevent it from helping you? Remember you cannot get the benefit of the Cardui ingredients in any other medicine, for they are not for sale in any drug store except in the Cardui bottle. Try Cardui.
