

Does Not Stimulate

Ayer's Sarsaparilla does not stimulate. It does not make you feel better one day, then as bad as ever the next. It is not a strong drink. No reaction after you stop using it. There is not a drop of alcohol in it. You have the steady, even gain that comes from a strong tonic and alternative. We wish you would ask your doctor about this. He knows. Trust him. Do as he says. J.C. Ayer Co., Lowell, Mass.

What are Ayer's Pills? Liver Pills. How long have they been sold? Nearly sixty years. Do doctors recommend them? Ask your own doctor and find out.

Ebenezer News.

Augustus Tisdale, of this place, and Miss Dora Meadows, of Bryson City, were married March 30th in Bryson. The occurrence was not made known to the relatives of the former until recently. At present they are visiting at the home of B. F. Tisdale. We join their many friends in wishing them a bright and happy future.

A crowd of young people—John Moffit, Lee and young Jordan, Misses Alice Jordan, Blanche Stepp, Kate Tisdale and Fanny and Lulu Hicks, attended the closing exercises of the Old Fort school.

We have been looking for this cold weather to destroy all of the fruit and garden vegetables, but there hasn't been any harm done in this section of the country yet.

Mrs. William Ricketts has been seriously ill with grip, but is slowly recovering.

Charlie Bradley's little son has been on the sick list for several days.

Robert Pendergrass and John Stepp are to start for Wyoming tomorrow. They will be greatly missed by relatives and friends. We hope that their stay may be prosperous and short.

Ed McDaniel has removed from Greenlee to his own home place. We are glad to have him with us once more. **POTSY AND PATSY.**

Increase in Railroad Casualties.

A large increase in the number of casualties on American railroads is shown by the report for the quarter ended December 31, 1909, as compared with the corresponding number of the previous year. The total number of persons killed was 1,099 and the total number injured 22,491.

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

Weak and unhealthy kidneys are responsible for much sickness and suffering. If kidney trouble is permitted to continue, serious results are most likely to follow. Your other organs may need attention, but your kidneys most, because they do most and should have attention first. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root. A trial will convince you of its great merit.

The mild and immediate effect of Swamp-Root, the great kidney and bladder remedy, is soon realized. It stands the highest because its remarkable health restoring properties have been proven in thousands of the most distressing cases. If you need a medicine you should have the best.

Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.

More Than 1,000 Indians in Western North Carolina.

Asheville Citizen.

One of the most interesting features of the taking of the thirteenth census in the tenth North Carolina congressional district will be the gathering of information concerning the Cherokee Indians who live in the district, probably the largest settlement of Indians this side of the Mississippi river.

In the twelfth census, which was taken in 1900, there were found to be 1,429 Indians dwelling within the limits of the tenth district, the majority of whom were on the reservation in Swain county. The Indian population of the district was divided as follows: Swain county, 917; Jackson county, 349; Graham, 128; and Cherokee, 35. They are an industrious people and are engaged in various pursuits.

John D. Rockefeller would go broke if he should spend his entire income trying to prepare a better medicine than Chamberlain's Colic, Cholera and Diarrhoea remedy for diarrhoea, dysentery or bowel complaints. It is simply impossible, and so says everyone that has used it. Sold by Marion Drug Co. and all druggists.

Will Anyone Believe This?

The wife of a literary man of the Indiana school, who had taken up chicken raising as a side issue, was telling of the poor success she had with a brood of eleven chickens. They seemed to be doing all right for a few days, she said, and then, one after another, they all died in the coop.

"What did you feed them?" asked the wife of a farmer neighbor.

"Feed them?" exclaimed the author's help mate. "I didn't feed them; I thought a healthy young pullet like that should have milk enough for her chicks."—Everybody's Magazine.

How often do you eat this food?

A short time ago there appeared in the columns of one of the prominent magazines an article on building brain and muscle by the proper selection of the foods you eat.

A good many people were surprised to find oatmeal placed at the top of the list of foods recommended; but if the article had appeared in an English or Scotch paper every reader would have expected to see first place given to good oatmeal.

As a matter of fact Great Britain and Europe come to us for tremendous quantities of Quaker Oats because it represents to them perfect food, being the richest in flavor and best in cleanliness and purity, of all oatmeals.

It is packed in regular size packages, and in hermetically sealed tins for hot climates.

IF WOMEN ONLY KNEW

What a Heap of Happiness It Would Bring to Marion Homes.

Hard to do housework with an aching back. Brings you hours of misery at leisure or at work.

If women only knew the cause—that Backache pains come from sick kidneys.

"I would save much needless woe. Doan's Kidney Pills cure sick kidneys. Many residents of this vicinity endorse them."

Mrs. U. S. Bryson, 32 Carter street, Asheville, N. C., says: "I have no hesitation in recommending Doan's Kidney Pills, as I know that they are a reliable remedy." Some time ago I was in a bad way as the result of sharp pains in my back. The kidney secretions were also unnatural and I came to the conclusion that my kidneys needed attention. Learning of Doan's Kidney Pills, I procured a box and began their use in accordance with the directions. It was not long before I was able to perform my work without any inconvenience and felt better in every way.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
