A Praiseworthy Institution—Something of It.

The Marion Benevolent Society was organized March 1908 with a membership of thirteen, and since that time both its operations and membership have vastly grown until it is one of the most far reaching institutions of its kind in this part of the State. But still in pushing this great work there is an urgent need for a larger membership. There are over one hundred members now, and an additional one hundred are wanted. The dues are ten cents per month.

The Society is desirous of thanking the people for liberal contributions and interest they have lent the cause. Those who have clothing or other things to spare are requested to phone the secretary. It is the hope of the society to operate more widely this year than last.

WESTERN BLOOMER GIRLS COMING

Will Play the Local Base Ball Team Here June 7th.

A game of Base Ball has been arranged between the local manager of the base ball team and the Western Bloomer Girls of Chicago, who are making a tour of the South, to be played on the Marion grounds June 7th.

This team holds a high record for the games played this season. We are sure the game with the Marion boys will be an interesting one and will attract a large crowd of enthusiastic Marion baseballists.

The grounds will be enclosed with a canvas side wall and comfortable seats provided. The admission has been reduced from 50c to 25c each, and Marion is expected to turn out in full force to see this interesting game. Quex is modest about genealogy, feeling sure that no one's is of such general interest as Cupid's. Why only recently we had two weddings on one Sunday! Modern match making, single handed, would be entirely too strenuous for even the son of Venus, so "modern mythology" has added a Christian name and, doubtless, a profusion of brothers, sisters, cousins and aunts.

On Sunday, May 15, Mr. Adolphus Snipes married two couples: Miss McIntire, of the Old Parsonage neighborhood, to David Hunter; and Miss Bertha Collins, of Buck Creek, to Charles Wilson, of Mitchell county.

E. L. McDaniel, of Old Fort, was here yesterday enroute to Erwin, Tenn.
