

Clothed by the Year.
 As one time tailors used to help a man to dress cheaply by taking back his old clothes. An advertisement in the Times of Nov. 19, 1884, states that "gentlemen can, if they choose, be dressed by contract. Two suits per year, 6 guineas; extra fine quality, the very best, 7 guineas; three suits, 10 guineas; four suits, 12 guineas. The old suit to be returned before a new one is obtained." Overcoats were obtainable on the same system, but clients are specially recommended the advertiser's "Spanish cloaks of super-fine blue cloth, a complete circle of nine and a half yards, 4 guineas." Apparently these would never want renewing, as nothing would wear them out.—London Chronicle.

EQUALITY.
 Whether I be the grandest genius on earth in a single thing, and that single thing earthy, or the poor peasant who, behind his plow, whistles for want of thought, I strongly suspect it will be all one when I pass to the competitive examination yonder! On the other side of the grave a Raphael's occupation may be gone as well as a plowman's.—Bulwer-Lytton.

FOR THE STOMACH
 Here's an Offer You Should Not Overlook.
 Rexall Dyspepsia Tablets remedy stomach troubles by supplying the one element, the absence of which in the gastric juices causes indigestion and dyspepsia. They aid the stomach to digest food and to quickly convert it into rich red blood and material necessary for overcoming natural body waste.
 Carry a package of Rexall Dyspepsia Tablets in your vest pocket, or keep them in your room. Take one after each heavy meal and indigestion will not bother you.
 We know what Rexall Dyspepsia Tablets are and what they will do. We guarantee them to relieve indigestion and dyspepsia. If they fail we will refund your money. Three sizes: 25 cents, 50 cents and \$1.00. Remember you can obtain Rexall Remedies only at—The Rexall Store. J. W. Streetman.

NO NEED FOR SHIFTING
 Story to Shift Cleveland from Ninth to the Tenth Congressional District Groundless.

Cleveland Star.
 The following special dispatch was sent out from Raleigh and printed in Tuesday's papers:
 "The movement to take Cleveland from the ninth and place it in the tenth congressional district to make the latter senatorial district, will be strongly fought by Congressman E. Y. Webb and his friends. Congressman Webb is here from Shelby to direct the fight. The movement, however, will not assume form until congress settles the matter of representation under the recent census figures. Congressman Webb's majority in the ninth last November was over 5,000, while Congressman Gudgeon won in the tenth by only 1,000."
 The above seems to be merely legislative talk. So far as can be learned locally it is without foundation. Cleveland county is satisfied where she is in the ninth district and has not made an effort to be shifted. There is no need for it because the tenth went Democratic by 1,000 last November and it is safe to say that it will remain in the Democratic column.

The Booby.
 A good story went through Germany about a schusterbub, or cobbler's boy, who waited outside the palace to see William H. come forth for his afternoon airing. Finding the delay tedious, he suddenly exclaimed: "The booby isn't coming! I shall go."
 A policeman at once caught him by the collar and shouted: "Whom do you mean by 'the booby,' sirrah?"
 "Why, my friend Michel!" whined the boy. "He was to have met me here, but he hasn't come."
 The policeman, of course, accepted the explanation and let him go, whereupon the boy retreated twenty paces, struck a derisive attitude and yelled: "And whom did you mean by 'the booby'?"—Christian Register.

Points on Sparring.
 A foreign born professor of physics in a western college was lecturing to a class of young men and light hearted "co-eds." With reference to an electrical apparatus before him he explained in the gravest manner possible:
 "You see, when I keep dese two metal points far apart de electric spark makes a great noise, but not so when I bring dem closer together. So, ladies and gentlemen, observe de general rule: De report is never so great when de sparkin' distance is short."—Judge.

Saves Two Lives.
 "Neither my sister nor myself might be living to-day, if it had not been for Dr. King's New Discovery," writes A. D. McDonald of Fayetteville, N. C., R. F. D. No. 3, "for we both had frightful coughs that no other remedy could help. We were told my sister had consumption. She was very weak and had night sweats but your wonderful medicine completely cured us both. It's the best I ever used or heard of." For sore lungs, coughs, colds, hemorrhage, la-grippe, asthma, hay fever, croup, whooping cough, all bronchial troubles—its supreme. Trial bottle free. 50c and \$1.00. Guaranteed by Streetman.

The Prisoner's Escape.
 Judge Phillips was holding court in Missouri and stopping at a hotel that was known all over the state as one of the worst, if not the worst.
 A man was brought before the judge charged with larceny and pleaded guilty. "Prisoner," said the judge, "this is an atrocious crime you have committed, and I intend to punish you severely. I wish I had it in my power to send you to our hotel for six months, but I have not that power and therefore can only put you in jail."—Saturday Evening Post.

Brazilian Coffee.
 Brazilians are great coffee drinkers. Numerous cups are drunk each day by the average man and woman. The beverage is made very strong and very sweet. It produces an exhilaration of a more intense and lasting kind than beer. Those addicted to this habit become very restless and scarcely able to sit still or stand still even for a moment.
