A Good Example

"I am a good example," writes Mrs. R. L. Bell, of McAlester, Okla., "of what Cardui will do for suffering women.

"I suffered with my head and back, for over six years, and although I tried everything, I never could get anything to do me any good, until I began to take Cardui.

"Cardui has surely helped me and built me up and I am so thankful that I have found something that will do me good. I feel so much stronger and better than I have in a long time."

It is well to make up your mind before you are sick what medicine you will take when you are sick.

Take CARDUI

The Woman's Tonic

You will be glad to take it when you are tired, miserable and when life seems a weary grind. It will put new thoughts into your head, fresh courage into your mind. If not sick now, at least burn Cardui on to the pages of your memory, so that when you are sick you will ask for it without thinking.

If sick or weak, get a bottle today. At all druggists.

Foundryman Talks

Number 18.

Answer this, Please!

What Governor of North Carolina by refusing a nomination for Vice-President thereby lost an opportunity to be President of the United States?

And this, Please!

How much will it cost you to neglect having those machinery repairs, etc., made?

An hour of my time costs less than a minute of your neglect.

Believe me.

NEW YORK CAPITAL PARTIALLY BURNED

The Damage is Estimated at \$5,000,000—Valuable Records Lost.

Albany, N. Y., March 29.—The damage to the New York state capitol caused by a fire which raged from 2:45 a. m., until noon today before it was finally brought under control, is estimated at \$5,000,000.

The books, documents in the library and historic relics which were destroyed are valued at \$3,000,000, although many of these can never be replaced.

A careful examination will be necessary before it can be definitely determined whether or not the \$25,000,000 structure, which cost twice the amount of the national capitol, will have to be rebuilt.

Midnight in the Ozarks

and yet sleepless Hiram Scranton, of Clay City, Ill., coughed and coughed. He was in the mountains on the advice of five doctors, who said he had consumption, but found no help in the climate, and started home. Hearing of Dr. King's New Discovery, he began to use it. "I believe it saved my life," he writes, "for it made a new man of me, so that I can now do good work again." For all lung diseases, coughs, colds, la grippe, asthma, croup, whooping cough, hay fever, hemorrhages, hoarseness or quinsy, it's the best known remedy. Price 50c and \$1.00. Trial bottle free. Guaranteed by J. W. Streetman.

Can't you fix it so that you will not have to buy any garden stuff this year? Of course you can. What any farmer can do, you can. Get right at it now and make the best garden in town. Surprise yourself and the neighbors.

Constipation brings many ailments in its train and is the primary cause of much sickness. Keep your bowels regular madam, and you will escape many of the ailments to which women are subject. Mama: "Willie, what do you mean by breaking all those eggs?" Willie: "I heard papa say that there's money in eggs, and I'm trying to find it."

When a medicine must be given to young children it should be pleasant to take. Chamberlain's Cough Remedy is made from loaf sugar, and the roots used in its preparation give it a flavor similar to maple syrup, making it pleasant to take. It has no superior for colds, croup and whooping cough. For sale by all dealers.

What two letters aptly describe the condition of the man who is taken in by sharpers? E. Z.

Heavy, impure blood makes a muddy, pimply complexion, headache, nausea, indigestion. Thin blood makes you weak, pale, sickly. Burdock Blood Bitters makes the blood rich, red, pure—restores perfect health.

Many a man has made a fool of himself by trying to show people how smart he is.

"Our baby cries for Chamberlain's Cough Remedy," writes Mrs. T. B. Kendrick, Rasaca, Ga. "It is the best cough remedy on the market for coughs, colds and croup." For sale by all dealers.

"I'm so run down that I can give no more tick," sighed the alarm clock.

"Dr. Thomas' Electric Oil is the best remedy for that often fatal disease—croup. Has been used with success in our family for eight years."—Mrs. L. Whiteacre, Buffalo, N. Y.

The Orchard.

Rubbish and brush in the orchard yet? Gather and burn at once, and thus destroy harboring places of insect, fungi and other pests.

Too many trees of one variety alongside one another is not the best way to plant them. Mix them up, then they will pollinize one another better and give you choicer fruit and more of it.

Pick off, and burn, all "mummied" fruits on peach, plum or other trees, thus destroying the spores of brown rot and other fungous diseases which winter over on these dried-up specimens.

The only successful way to fight fungous troubles in the orchard is to begin early, before the disease appears. Remember that fungicidal sprays are preventives, not cures.—From April Farm Journal.

Kicked by a Mad Horse

Samuel Birch, of Beetown, Wis., had a most narrow escape from losing his leg, as no doctor could heal the frightful sore that developed, but at last Bucklen's Arnica Salve cured it completely. It's the greatest healer of ulcers, burns, boils, eczema, scalds, cuts, corns, cold-sores, bruises and piles on earth. Try it. 25c at J. W. Streetman's.

Every man is said to have his price but he rarely gets it.

Never Out of Work.

Mexican Mustang Liniment

For Man and Beast.

It is the most economical remedy because it is made of oils and don't evaporate like alcohol liniments. It penetrates to the bone in a hurry and healing begins instantly.

One of our enthusiastic friends writes:

GENTLEMEN:—

I think Mexican Mustang Liniment one of the greatest medicines I saw, and always keep a bottle or so in my stable. I've never known a single instance where it failed to give satisfaction, and have been selling and using it for 10 years.

Respectfully yours,
PAUL HOFFMAN
