Mr. Editor: As you had space in your
paper a few weeks back to publish the
misleading and false statement, that
was signed "A Taxpayer," I will ask
you to allow me just enough space to
explain to the respectable taxpayers of
the town, for whom I have the greatest
respect, and who are certainly entitled
to know where every cent of their mon-
ey has gone.

The report which accompanies this
statement was made out and placed in
the hands of the committee appointed to
check up the outgoing treasurer in May.
As it should have been published some
time ago, and the committee has not
had time to check it up, I got the re-
port from them to have it published,
and it will be checked by them after
publication. I will see that their report
appears in your paper as soon as they
make their statement as to the correct-
ness or GRAFF that they find.

Very truly,
S. H. YANCEY,
Ex-Sec. and Treas.
