### CERTAIN RESULTS

Many a Marion Citizen, Knows How Sure They Are.

Nothing uncertain about the work of Doan's Kidney Pills in Marion. There is plenty of positive proof of this in the testimony of citizens. Such evidence should convince the most skeptical doubter. Read the following statement: Mrs. C. A. Dale, Garden St., Marion, N. C., says: "My system was filled with uric acid and I would have preferred death to the agony I endured. My feet and hands were swollen to twice their normal size and my complexion was bad. My hands became affected to such an extent that I could not cross them and I could not raise my arms to my head. I was as helpless as a child for two months. The pain in my back never ceased and the kidney secretions caused me distress. I was convinced that the doctors did not understand my case and finally I stopped taking their medicine, beginning the use of Doan's Kidney Pills instead. This remedy, which was procured at Streetman's Drug Store, made so rapid an improvement that I could hardly realize it. In two months I was rid of my trouble and my cure has been permanent."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

### NEWS OF THE STATE

Happenings of General Interest Condensed for Busy Readers.

Halifax county will vote November 14 on a issue of \$300,000 of bonds for public roads.

The Dula Baauty, a variety of apples grow by Messrs. J. A. and S. E. Dula, near town, took first prize at the Wilkes Fair last week. This is a high compliment to Caldwell county, as Wilkes is now being widely advertised as the best fruit growing section of the State.—Lenoir Topic.

At the celebration of Founders' Day at Trinity College last week gifts to the institution aggregating \$235,000 were announced. J. B. and J. N. Duke gave \$201,000 for building purposes and \$27,500 for support fund. The North Carolina Conference gave \$4,369 and the Western North Carolina Conference \$1,000 for running expenses.

Mr. Jas. S. Spainhour, of Pittsburg, Pa., a former Lenoir boy, has recently invented and constructed a flying machine. The Pittsburg papers tell of Mr. Spainhour's recent test of his machine and of his daring flight in it of 1,000 feet in the air. Mr. Spainhour will likely make a good thing financially from his invention. His numerous friends here congratulate him upon his success.—Lenoir Topic.

A rather interesting visitor to Asheville yesterday was Mrs. Darius Griffin, of Madison county, who passed through this city enroute to Canton, where she will reside in the future. Mrs. Griffin is 107 years old, has perfect sight, hears well and speaks with ease. She was accompanied yesterday by her baby boy, who is fifty-two years old and who, with his mother will live in Canton.—Asheville Citizen.

Willie Gibson, of Marion, is a young man of remarkably small stature. He is 54 years of age, weighs 50 pounds, and is 3 feet 9 inches in height. He is visiting relatives in the vicinity of Lenoir, and was in town Saturday. He talked freely to the curious crowd who gathered around him. In politics, Willie is strictly Democratic—he says he has voted the straight ticket twice, and resented and suggestion that he should vote otherwise. He has been offered a large salary to go with a show, but he prefers the quietude of home life.—Lenoir Topic.

## IT MAKES HOME OH! SO HAPPY To Have A BANK ACCOUNT

Copyright 1909, by C. E. Zimmerman Co.—No. 41

Of all the unhappy homes, not one in a hundred has a bank account and not one home in a hundred who has a bank account is unhappy. It seems almost foolish to put it off any longer, when it is such a simple, easy matter to start a bank account.
