Round Hill School.

Union Mills, Oct. 10.—The best session of the Green River Association has just closed. The minutes are in the hands of the publishers and are to be out by November 1st. Our clerk has done his best.

Our school is most excellent. We have 80 boarding pupils. All the rooms in all of the halls are occupied and nearly full.

The \$4,000 will be lifted and our school will be freed from debt and sent on her glorious mission. The time to raise the debt is one year. I have already raised one-fifth of it. It can be done easily if all will help. It is about a dollar apiece for the Baptists of the Green River Association. Let the deacons get behind this matter and see to it that the church gives her proportional part.
