## ENDORSEMENTS FROM RELIABLE PEOPLE

Your medicine is, in my estimation, a godsend to humanity.—C. D. Jefferson, 375 Woodland Ave., Roanoke, Va.  
Milam is a grand medicine. I have taken only a few bottles, but the effect has been splendid. I feel better and stronger and more able to stand up under my work. For some years I have been troubled with excess of uric acid to such an extent that I could not eat tomatoes without breaking out with a rash. To my surprise and pleasure I can now eat tomatoes to my heart's content without any evil consequences.—Rev. H. D. Guerrant, Danville, Va.  
You said you would cure me or refund the money. Well, you may keep your money—my face is entirely well. After having suffered with eczema for 25 years I am cured.—C. H. Williams, care Cluett, Peabody & Co., Troy, N. Y.  
I had not taken Milam more than three or four days when I began to see a decided improvement in appetite and digestion, and within a few weeks my strength was restored. I have great faith in Milam.—Rev. R. L. McNair, Charlotte, C. H.  
I will always take pleasure in recommending Milam for Uric Acid troubles.—C. T. Barksdale, Ex-postmaster Danville, Virginia.

On March 18th I commenced to use Milam. From the first the benefit derived was noticeable even to my friends. My catarrhal troubles nearly gone, my digestion better than for years, my tongue is clean (first time in years) and this is the first spring in years that I have had no rheumatism. I can conscientiously give it an unqualified endorsement.—Rev. Nathan Maynard, Salem, Va., returned missionary from Japan.  
I was both surprised and gratified at the great benefit I derived from the use of Milam. I have conscientiously recommended it ever since. R. W. Thompson 106 W. Main St. Richmond, Va.  
I think Milam is the finest thing in the world.—Mrs. H. H. Reynolds, Critz, Va.  
For nearly eight years I suffered with rheumatism, at times unable to walk. I am now taking Milam with great benefit, as I suffer no pain and am able to walk with ease.—Miss Ira R. Preston, Abingdon, Va.  
Since I have been taking Milam the boils have quit coming, my skin is much improved and I can eat almost anything I want without harm to me. I seem to be improved in almost every way.—Rev. L. C. Douthett, Waltham, S. C., State Evangelist for Wesleyan Methodist Conference of N. Carolina.

## Stubborn Case

"I was under the treatment of two doctors," writes Mrs. R. L. Phillips, of Indian Valley, Va., "and they pronounced my case a very stubborn one, of womanly weakness. I was not able to sit up, when I commenced to take Cardui.  
I used it about one week, before I saw much change. Now, the severe pain, that had been in my side for years, has gone, and I don't suffer at all. I am feeling better than in a long time, and cannot speak too highly of Cardui."

## Buffalo Bill Retires.

Richmond, Va., Nov. 1.—Col. William F. Cody ("Buffalo Bill" to all the world) retired from public life tonight. His show was packed off to winter quarters and his Indians will return to their tepees in what is left of the Red Man's land, while "Buffalo Bill" intends to spend his remaining years in the Wyoming Big Horn, where he helped make American history. So far as public exhibitions are concerned he has shot the ashes from the last cigar and closed the last Indian.

During a career which began as a pony express rider, led him through more Indian battles than any other living man and included 28 years as a showman, Colonel Cody became known as one of the most picturesque figures of American frontier life.

The sobriquet, "Buffalo Bill," he earned in the early 60's, when he contracted to furnish buffalo meat to the laborers on the building of the Kansas Pacific railroad and in less than 18 months he killed 4,280ison.

## Negro Fireman Injured Near Old Fort.

Asheville, Nov. 2.—Fearing that the locomotive which he was firing was going to burst, Bill Bynam, a negro, yesterday, near Old Fort, while the train was running at a speed of 30 miles an hour, deserted duty and leaped to the ground, sustaining a broken leg and several painful bruises.

Bynam was brought to Asheville and placed in the Mission hospital, where immediate attention was given him.

It is said that there was a sudden escaping of steam in the cap of the boiler, so much so that the locomotive was enveloped in steam. Bynam became frightened and leaped to the ground. Will Francis, the engineer, stuck to his post and soon brought the train to a standstill.
