

Patriotism

The stomach is a larger factor in "life, liberty and the pursuit of happiness " than most people are aware. Patriotism can withstand hunger but not dyspepsia. The confirmed dys-peptic " is fit for treason, stratagems and spoils." The man who goes to the front for his country with a weak stomach will be a weak soldier and a fault finder.

A sound stomach makes for good citizensnip as well as for health and happiness.

Diseases of the stomach and other organs of digestion and nutrition are promptly and permanently cured by the use of

Dr. PIERCE'S GOLDEN MEDICAL DISCOVERY. It builds up the body with sound flesh and solid muscle.

The dealer who offers a substitute for the "Discovery" is only seeking to make the little more profit realized on the sale of less meritorious preparations.

Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the paper covered book, or 31 stamps for the cloth bound. Address World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

1910 Nickels Good.

Washington, Nov. 2.-Hundreds of inquiries from all sections of the country are being received at the treasury department from those persons who have believed recent reports that all nickels dated 1910 are counterfeit.

There are thirty million, nickels of 1910 in circulation, and so far as the treasury knows, all are genuine. Some of them were discolored in the minting by sumes of sulphuric acid, which gives them an unusual appearance. They are genuine, none the less.

Good Roads.

If you cannot boost good roads throw away your little hammer. Mud roads belong to the log cabirdays and the log cabin days belong to the past.

A good road is to a county district is what a paved street is to t e city property that adjoins it. It m kes business.

Automobiles have been driven over the oiled boulevards of Californis at a rate of eighty miles an hour, without doing the slightest damage to the survace.

Money spent on good roads is as good an investment for improving the f rm as is money put into stock sheds, grain cribs, fences, seeds or at y hing else that makes the farm pay.
