### Didn't Hit Him.

John Wesley had a reputation for cheerfulness. In his journal he writes: "I preached in Halifax to a civil, senseless congregation. Three or four gentlemen put me in mind of the honest man at London who was so gay and unconcerned while Dr. Sherlock was preaching concerning the day of judgment. One asked, 'Do you not hear what the doctor says?' He answered, 'Yes, but I am not of his parish.'"

### His Early Promise.

"Does my boy," inquired the parent, "seem to have a natural bent in any one direction?" "Yes, sir," said the teacher. "He gives every indication of being a captain of industry some day. He gets the other boys to do all his work for him."—Chicago Tribune.

### Just Our Luck.

### Stations Established in Fruit Belt Districts.

Raleigh Dispatch

Carrying out plans based some time ago on investigations made by the State and the Federal Department of Agriculture, there are now being established at seven advantageous points in Western Carolina fruit belt districts and stations, the latter to be at Tryon, Blantyre, Waynesville, Asheville, Blowing Rock, North Wilkesboro and Mt. Airy. Each station will be equipped with the delicate and very expensive instruments for recording the temperature, amount of frost, dew, humidity and other conditions that bear vitally on the fruit-growing industry, exact records being kept, showing conditions mountain-side-differences from valley to mountain top. Great benefit is expected to be conferred on the fruit growing interests. The records will be assembled and discussed for the benefit of the fruit-growers by government experts.

### Saved Many From Death.

W. L. Mock, of Mock, Ark., believes he has saved many lives in his 25 years of experience in the drug business. "What I always like to do," he writes, "is to recommend Dr. King's New Discovery for weak, sore lungs, hard colds, hoarseness, obstinate coughs, la grippe, croup, asthma or other bronchial affection, for I feel sure that a number of my neighbors are alive and well to-day because they took my advice to use it. I honestly believe it's the best throat and lung medicine that's made." Easy to prove he's right. Get a trial bottle free, or regular 50c or \$1.00 bottle. Guaranteed by J. W. Streetman.
