

STOMACH LIVER LUNGS

Each of the chief organs of the body is a link in the Chain of Life. A chain is no stronger than its weakest link, the body no stronger than its weakest organ. If there is weakness of stomach, liver or lungs, there is a weak link in the chain of life which may snap at any time. Often this so-called "weakness" is caused by lack of nutrition, the result of weakness or disease of the stomach and other organs of digestion and nutrition. Diseases and weaknesses of the stomach and its allied organs are cured by the use of Dr. Pierce's Golden Medical Discovery. When the weak or diseased stomach is cured, diseases of other organs which seem remote from the stomach but which have their origin in a diseased condition of the stomach and other organs of digestion and nutrition, are cured also.

The strong man has a strong stomach. Take the above recommended "Discovery" and you may have a strong stomach and a strong body.

One on the Girls.

"Backward, turn backward, oh, time in your flight, and give us a maiden dressed proper and right. We are weary of switches and rats, Billy Burk clusters and peach basket hats. Wads of jira'e hair in a horrible pile stacked on the heads to the height of a mile. Something is wrong with the maidens, we fear. Give us the girls as they use to appear. Give us the girlies we once knew of yore, whos curls didn't come from the hair dressing store. Maidens who dressed with a sensible view, and jurt as Dame Nature intended them to. Give us a girl with her figure her own, and fashioned divinely by Nature alone. Feminine style's getting fiercer each year, oh, give us the girls as they used to appear. One of those 'twentr-five-years-ago' kind. No wonder the men of that day sighed and pined. One whos fair dresses were enough, without the addition of make believe stuff. Give us the days when the hats women wore were not the reason Christian men swore. Over our way such a rare maiden steer—yes, give us the girl as she used to appear."

Saved His Wife's Life.

"My wife would have been in her grave to-day," writes O. H. Brown, of Muscadine, Ala., "if it had not been for Dr. King's New Discovery. She was down in her bed, not able to get up without help. She had a severe bronchial trouble and a dreadful cough. I got her a bottle of Dr. King's New Discovery, and she soon began to mend, and was well in a short time." Lightning Kills Few.

In 1906 lightning killed only 169 people in this whole country. One's chances of death by lightning are less than two in a million. The chance of death from liver, kidney or stomach trouble is vastly greater, but not if Electric Bitters be used, as Robert Madsen, of West Burlington, Ia., proved. Four doctors gave him up after eight months of suffering from virulent liver trouble and yellow jaundice. He was then completely cured by Electric Bitters. They're the best stomach, liver, nerve and kidney remedy and blood purifier on earth. Only 50c at Streetman's drug store.
