

MILAM

FOR GOOD BLOOD

What Milam IS

Milam is a vegetable remedy made from a formula successfully used for 45 years in all troubles arising from impure, impoverished or acid blood. Contains no alcohol, mercury, potash or other dangerous or habit-forming ingredients. Beneficial to the stomach and digestive organs as well as the blood. A true tonic.

What Milam DOES

Cures the most desperate blood diseases. Builds up the system, eradicates uric acid, thus curing rheumatism, gout, eczema, etc. Beneficial in all run down conditions, consumption, catarrh, anaemia, failing eyesight from impoverished blood supply, creates appetite, aids digestion, and is a genuine RECONSTRUCTIVE TONIC.

ENDORSEMENTS FROM RELIABLE PEOPLE

Your medicine is, in my estimation, a godsend to humanity.—C. D. Jefferson, 375 Woodland Ave., Roanoke, Va.

Milam is a grand medicine. I have taken only a few bottles, but the effect has been splendid. I feel better and stronger and more able to stand up under my work. For some years I have been troubled with excess of uric acid to such an extent that I could not eat tomatoes without breaking out with a rash. To my great surprise and pleasure I can now eat tomatoes to my heart's content without any evil consequences.—Rev. H. D. Guarrant, Danville, Va.

You said you would cure me or refund the money. Well, you may keep your money—my face is entirely well. After having suffered with eczema for 23 years I am cured.—C. H. Williams, care Cluett, Peabody & Co., Troy, N. Y.

I had not taken Milam more than three or four days when I began to see a decided improvement in appetite and digestion, and within a few weeks my strength was restored. I have great faith in Milam.—Rev. R. L. McNair, Charlotte, C. H.

I will always take pleasure in recommending Milam for Uric Acid troubles.—C. T. Barksdale, Ex-postmaster Danville, Virginia.

On March 15th I commenced to use Milam. From the first the benefit derived was noticeable even to my friends. My catarrhal trouble is nearly gone, my digestion better than for years, my tongue is clean (first time in years) and this is the first spring in years that I have had no rheumatism. I can conscientiously give it an unqualified endorsement.—Rev. Nathan Maynard, Salem, Va., returned missionary from Japan.

I was both surprised and gratified at the great benefit I derived from the use of Milam. I have conscientiously recommended it ever since. R. W. Thompson 168 W. Main St. Richmond, Va.

I think Milam is the finest thing in the world.—Mrs. H. H. Reynolds, Critz, Va.

For nearly eight years I suffered with rheumatism, at times unable to walk. I am now taking Milam with great benefit, as I suffer no pain and am able to walk with ease.—Miss Ira R. Preston, Abingdon, Va.

Since I have been taking Milam the boils have quit coming, my skin is much improved and I can eat almost anything I want without hurting me. I seem to be improved in almost every way.—Rev. L. C. Douthit, Walhalla, S. C. State Evangelist for Wesleyan Methodist Conference of N. Carolina.

FOUNTAIN IS SELF-FEEDING

two inches of the top. It was then filled with water and a milk pan inverted over it and turned upside down. Water will flow in pan till it reaches the hole in the can, says a writer in the Farm and Home. Using a deep pan prevents getting it full of dirt.

Nationality of Eggs.

Is it possible to tell the nationality of an egg by inspection? The question is raised in acute form by the evidence given by the prosecution of a Lancashire, England, firm for selling Russian eggs as Irish, which resulted in acquittal. The experts varied, as even experts will. One confidently pronounced the eggs in question Russians nearly five weeks old; another said they were second class Russians; a third specified the south of Russia. On the other hand, experts for the defense were equally positive that nobody could tell the birthplace of an egg from external examination. One witness said that when eggs were bad their nationality was indeterminate. On the whole, one is bound to come to the conclusion that the average purchaser of eggs must take their nationality upon trust.

Printing in China.

If reports are to be relied on, they had the art of printing in China "2,400 years ago." It was block printing, however, though it is said that they had something very like movable type in the middle of the tenth century. There may be some doubt as to the exact period, but there is no room for questioning the fact that for many centuries before it was known in Europe the art was well known in China.

A Hero in a Lighthouse.

For years J. S. Donahue, So. Haven, Mich., a civil war captain, as a lighthouse keeper, averted awful wrecks, but a queer fact is, he might have been a wack, himself, if Electric Bitters had not prevented. "They cured me of kidney trouble and chills," he writes, "after I had taken other so called cures for years, without benefit and they also improved my sight. Now, at seventy, I am feeling fine." Fos dyspepsia, indigestion, all stomach, liver and kidney troubles, they're without equal. Try them. Only 50 cts. at J. W. Streetman's.

A Gossip From Habit.

A man should not decide that a girl is a gossip because she tells him "something funny" Marguerite or Edith said. Women have the same right to discuss and criticize other women that men have; and they do not exercise it any more freely.

Medicines that aid nature are always most effectual. Chamberlain's Cough Remedy acts on this plan. It allays the cough, relieves the lungs, opens the secretions and aids nature in restoring the system to a healthy condition. Thousands have testified to its superior excellence. Sold by all dealers.

A Girl's Wild Midnight Ride.

To warn people of a fearful forest fire in the Catskills a young girl rode horse back at midnight and saved many lives. Her deed was glorious but lives are often saved by Dr. King's New Discovery in curing lung trouble, coughs and colds, which might have ended in consumption or pneumonia. "It cured me of a dreadful cough and lung disease," writes W. B. Patterson, Wellington, Tex., "after four in our family had died with consumption, and I gained 87 pounds." Nothing so sure and safe for all throat and lung troubles. Price 50c and \$1.00. Trial bottle free. Guaranteed by J. W. Streetman, Druggist.
