Garden City Tidings.

Garden City, Jan. 8.—Owing to her continued illness, Mrs. George Duncan has gone to Marion where she can be under the immediate care of her physician. We hope her recovery will be speedy.

Mrs. Grant Patton has been seriously ill for several days but is better at this time.

Christmas in our valley was duller than usual. The rain, mud and slush knocked all the parties "in the head" but for variety we had two runaway matches on the creek during the holidays. This is the latest fad among our young folks but we sincerely hope no more will follow suit, as we have no young people to spare. The contracting parties above mentioned were Miss Harriet Burgin and Robert Collis and Miss Bessie Curtis and Charley Poteet.

Frank Poteet and family have returned home after a lengthy visit to relatives in Morganton.

Miss Thessa Jimerson, after spending the holidays at home, returned to Nebo school accompanied by Misses Delia Gibbs and Addie Elliott, who have entered school there.

John Elliott has gone to Marion to enter school. MIKE.

SUFFERED 23 YEARS

Constant Sufferer From Chronic Catarrh Relieved by Peruna.

Mrs. J. H. Bourland, San Saba, Texas, writes:

"For twenty-three years I was a constant sufferer from chronic catarrh. I had a severe misery and burning in the top of my head. There was almost a continual dropping of mucus into my throat, which caused frequent expectation. My entire system gradually became involved, and my condition grew worse. I had an incessant cough and frequent attacks of bilious colic, from which it seemed I could not recover. My bowels also became affected, causing alarming attacks of hemorrhages. I tried many remedies, which gave only temporary relief or no relief at all. I at last tried Peruna, and in three days I was relieved of the bowel-derangement. After using five bottles I was entirely cured. I most cheerfully recommend the use of Peruna to any one similarly afflicted."

Couldn't Walk!

"I used to be troubled with a weakness peculiar to women," writes Mrs. Anna Jones, of Kenny, Ill. "For nearly a year, I could not walk, without holding my sides. I tried several different doctors, but I grew worse. Finally, our druggist advised Cardui for my complaint. I was so thin, my weight was 115. Now, I weigh 163, and I am never sick. I ride horseback as good as ever. I am in fine health at 52 years."

TAKE CARDUI The Woman's Tonic

We have thousands of such letters, and more are arriving daily. Such earnest testimony from those who have tried it, surely proves the great value of this vegetable, tonic medicine, for women.

Cardui relieves women's sufferings, and builds weak women up to health and strength. If you are a woman, give it a trial. It should help you, for it has helped a million others. It is made from pure, harmless, herb ingredients, which act promptly and surely on the womanly organs. It is a good tonic. Try it! Your druggist sells it.
