

MILAM

FOR GOOD BLOOD

What Milam IS

Milam is a vegetable remedy made from a formula successfully used for 46 years in all troubles arising from impure, impoverished or acid blood. Contains no alcohol, mercury, potash or other dangerous or habit-forming ingredients. Beneficial to the stomach and digestive organs as well as the blood. A true tonic.

What Milam DOES

Cures the most desperate blood diseases. Builds up the system, eradicates uric acid, thus curing rheumatism, gout, eczema, etc. Beneficial in all run down conditions, consumption, catarrh, anaemia, failing eyesight from impoverished blood supply, creates appetite, aids digestion, and is a genuine RECONSTRUCTIVE TONIC.

ENDORSEMENTS FROM RELIABLE PEOPLE

Your medicine is, in my estimation, a godsend to humanity.—C. D. Jefferson, 375 Woodland Ave., Roanoke, Va.

Milam is a grand medicine. I have taken only a few bottles, but the effect has been splendid. I feel better and stronger and more able to stand up under my work. For some years I have been troubled with excess of uric acid to such an extent that I could not eat tomatoes without breaking out with a rash. To my surprise and pleasure I can now eat tomatoes to my heart's content without any evil consequences.—Rev. H. D. Guerrant, Danville, Va.

You said you would cure me or refund the money. Well, you may keep your money—my face is entirely well. After having suffered with eczema for 28 years I am cured.—C. H. Williams, care Cluett, Peabody & Co., Troy, N. Y.

I had not taken Milam more than three or four days when I began to see a decided improvement in appetite and digestion, and within a few weeks my strength was restored. I have great faith in Milam.—Rev. R. L. McNair, Charlotte, C. H.

I will always take pleasure in recommending Milam for Uric Acid troubles.—C. T. Barksdale, Ex-postmaster Danville, Virginia.

On March 15th I commenced to use Milam. From the first the benefit derived was noticeable even to my friends. My catarrhal trouble is nearly gone, my digestion better than for years, my tongue is clean first time in years and this is the first spring in years that I have had no rheumatism. I can conscientiously give it an unqualified endorsement.—Rev. Nathan Maynard, Salem, Va., returned missionary from Japan.

I was both surprised and gratified at the great benefit I derived from the use of Milam. I have conscientiously recommended it ever since. R. W. Thompson 163 W. Main St. Richmond, Va. I think Milam is the finest thing in the world.—Mrs. H. H. Reynolds, Critz, Va.

For nearly eight years I suffered with rheumatism, at times unable to walk. I am now taking Milam with great benefit, as I suffer no pain and am able to walk with ease.—Miss Ira R. Preston, Abingdon, Va.

Since I have been taking Milam the boils have quit coming, my skin is much improved and I can eat almost anything I want without hurting me. I seem to be improved in almost every way.—Rev. L. C. Douthit, Walthalla, S. C. State Evangelist for Wesleyan Methodist Conference of N. Carolina.

Bowers-Patton.

Special to MARION PROGRESS.

Wednesday, January 17, at 12 o'clock, a pretty home wedding occurred at the home of the bride, near Bridgewater, when Miss Princy Patton, beautiful and accomplished daughter of Mr. and Mrs. J. D. Patton, became the bride of Mr. J. S. Bowers. In the presence of relatives and friends the bridal party entered the parlor at the appointed hour, the bridesmaids and groomsmen, Miss Olivia Patton, sister of the bride, and Ernest Dysart, Miss Falsome Dysart and Conpor Patton, brother of the bride, followed by the bride and groom. The ceremony was performed by Rev. D. S. Richardson of the Methodist church.

After the ceremony the company repaired to the dining room where a bountiful dinner was served.

Miss Patton is a very refined young lady and the groom is an energetic young business man of good habits. Mr. Bowers left the 20th for Doctortown, Ga., where holds a position as superintendent for Williams & Co., civil engineers and contractors. Mrs. Bowers expects to join him very soon.

The young couple have the best wishes of their many friends.

Woodlawn Notes.

Woodlawn, Jan. 29—F. A. Hall, who has been quite ill, is able to be out again.

Mrs. Lou Rainy Quinn fell and broke her arm a few days ago. She was getting along as well as could be expected when last heard from.

People residing between Marion and Woodlawn need better mail service. Some of us have to walk six miles to the postoffice for mail. Uncle Sam should remember that we pay taxes and are entitled to better service. We also wish to remind the county commissioners about our bridge. It needs attention badly.

BILLY.

Dr. Smith Honored by Washington and Lee.

Dr. Henry Louis Smith has been elected president of Washington and Lee University by a unanimous vote of the trustees, the honor coming to him entirely unsought; and while he is giving the matter earnest consideration, he has not yet decided to leave Davidson College, and friends of this institution are doing all they can to keep him there.

Shocking Sounds

in the earth are sometimes heard before a terrible earthquake that warn of the coming peril. Nature's warnings are kind. That dull pain or ache in the back warns you the Kidneys need attention if you would escape those dangerous maladies, Dropsy, Diabetes or Bright's disease. Take Electric Bitters at once and see backache fly and all your best feeling return. "My son received great benefit from their use for kidney and bladder trouble," writes Peter Bondy, South Rockwood, Mich. "It is certainly a great kidney medicine." Try it. 50 cents at Streetman's drug store.

Without the Letter "E."

The following verse contains all the letters of the alphabet except the letter "e," which is the letter more frequently used than any other:
A jovial, brainy man, says his brain,
And says his fancy's might,
To quail is vain, for 'tis most plain,
That what I say is right.
