

CATARRH OF THE STOMACH

Could Hardly Eat. Gradually Grew Worse. Relieved by Peruna.

Mr. A. M. Ikerd.

Stomach and there was no cure. I almost thought the same, for my breath was offensive and I could not eat anything without great misery, and I gradually grew worse.

"Finally I concluded to try Peruna, and I found relief and a cure for that dreadful disease, catarrh. I took five bottles of Peruna and two of Manalin, and I now feel like a new man. There is nothing better than Peruna, and I keep a bottle of it in my house all the time."

Now You Know.

Once, after exposing the ridiculous blunders of the editor of certain old plays, James Russell Lowell concluded with the remark, "In point of fact, we must apply to this gentleman the name of the first King of Sparta." No one remembered, of course, what this was, but when they looked it up they found it was Eudamidas.

"I am all right now, thanks to Dr. Miles' Heart Remedy."

The same relief is ready for you. Are you sure you do not need it? If Dr. Miles' Heart Remedy helped Charles Holmes, why won't it help you?

"I was troubled with heart disease, and after reading about Dr. Miles' Heart Remedy, I got a bottle. Before I got the Heart Remedy I had to sit up most of the night, and felt very bad at my stomach. Whatever I would eat made me feel worse, and my heart beat very fast. But thanks to Dr. Miles' Heart Remedy, I am all right now. I eat good, sleep good, and feel like a new man, although I am almost 68 years old. I have been a soldier in the late war of the rebellion, and was badly wounded." CHARLES HOLMES, Private Co. B, 54th N. Y. Infantry Volunteers, Walton, Delaware Co., N. Y.

Our Need in Government.

Governor Woodrow Wilson's message to the New Jersey Legislature emphasizes the need of economy and efficiency in government, better roads and jury reform. No paragraph in his message is more important or better worth considering than the following: "Our legal procedure is too technical, too complicated, too expensive, too little adapted to the use of the poor and unschooled. With splendid courts of undoubted integrity, we nevertheless feel that the rich litigant can tire the poor litigant out. We are proud of our bench; why should we not put ourselves in a position to be equally proud of our administration of justice as based upon the best reformed models? It is not the courts we wish to change so much as the methods of procedure." We hope Governor Wilson will fight for some genuine reform here and so blaze the way for changes in other States. We cannot boast of our courts of justice so long as it is true that a rich man or corporation can tire out a poor man. —Progressive Farmer.

Almost Lost His Life.

S. A. Stid, of Mason, Mich., will never forget his terrible exposure to a merciless storm. "It gave me a dreadful cold," he writes, "that caused severe pains in my chest, so it was hard for me to breathe. I did not use two bottles completely cured me." Use only this quick, safe, reliable medicine for coughs, colds, or any throat or lung trouble. Price 50c and \$1.00. Trial bottle free. \$100 REWARD, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. Chicago Party to Visit Asheville.

Asheville, Jan. 25.—The board of trade is advised that a party from the union stock yards of Chicago is planning to visit the South for the purpose of buying land. The information of their coming is contained in a letter from Stephen Demmon of the University Club of Buffalo, N. Y., who states that there will be about 15 men in the party and wishes to know if the board of trade would be interested in having them come this way. The secretary of course replied in the affirmative, telling him that this is a good country for grass and apples and that there is plenty of timber.

Blamed a Good Worker.

Best for stomach, liver and kidney troubles, constipation; headache or debility. 25c at Streetman's drug store.

Remedies are Needed

Were we perfect, which we are not, medicines would not often be needed. But since our systems have become weakened, impaired and broken down through indiscretions which have gone on from the early ages, through countless generations, remedies are needed to aid Nature in correcting our inherited and otherwise acquired weaknesses. To reach the seat of stomach weakness and consequent digestive troubles, there is nothing so good as Dr. Pierce's Golden Medical Discovery, a glyceric compound, extracted from native medicinal roots—sold for over forty years with great satisfaction to all users. For Weak Stomach, Biliousness, Liver Complaint, Pain in the Stomach after eating, Heartburn, Bad Breath, Belching of food, Chronic Diarrhea and other Intestinal Derangements, the "Discovery" is a time-proven and most efficient remedy.

The genuine has on its outside wrapper the Signature
