

CALOMEL DYNAMITES YOUR LIVER! MAKES YOU SICK AND SALIVATES

"Dodson's Liver Tone" Starts Your Liver
Better Than Calomel and You Don't
Lose a Day's Work

Liven up your sluggish liver! Feel fine and cheerful; make your work a pleasure; be vigorous and full of ambition. But take no nasty, dangerous calomel because it makes you sick and you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel crashes into sour bile like dynamite, breaking it up. That's when you feel that awful nausea and cramping.

Listen to me! If you want to enjoy the nicest, gentlest liver and bowel cleansing you ever experienced just take a spoonful of harmless Dodson's Liver

Tone tonight. Your druggist or dealer sells you a 50 cent bottle of Dodson's Liver Tone under my personal money-back guarantee that each spoonful will clean your sluggish liver better than a dose of nasty calomel and that it won't make you sick.

Dodson's Liver Tone is real liver medicine. You'll know it next morning because you will wake up feeling fine, your liver will be working; headache and dizziness gone; stomach will be sweet and bowels regular.

Dodson's Liver Tone is entirely vegetable, therefore harmless and can not salivate. Give it to your children. Millions of people are using Dodson's Liver Tone instead of dangerous calomel now. Your druggist will tell you that the sale of Calomel is almost stopped entirely here.

NORTH CAROLINA NEWS BRIEFS.

Mecklenburg county reports increased interest among the boys in corn, pig and poultry clubs.

Davidson county will be given some valuable advertising through a little folder that will be distributed all over the world by the Norfolk & Western Railway. The article in the folder is republished from The Dispatch of December 29, and is entitled "Davidson County, North Carolina, Where Opportunity Awaits the Home-seeker."

Large posters are just out advertising the stockmen's meeting which is to be held in Salisbury on January 25-28. After changing the location of the meeting from Raleigh where it has been formerly held, interest has rapidly developed until last year when the meeting was held at Statesville; more than 2,500 people were present during the three days of the meeting. The expectations for the meeting at Salisbury this year are ever greater. Larger inducements in the way of live stock, shows, premiums, demonstrations, and prominent livestock speakers have been provided.

Negro Lynched Near Goldsboro.

Goldsboro, Jan. 12.—John Richards, a negro under arrest on the charge of being implicated in the killing near here last Thursday of Anderson Gurley, a farmer, was removed from the Wayne county jail here early today, taken to the scene of the crime and lynched. Richards was hanged to a tree and his body almost cut to pieces with bullets. The jailor declared that a mob composed of more than 200 masked men visited the jail shortly after midnight and forced him to produce the keys to the cell room in which Richards was confined.

Richards is said to have confessed to the authorities that he and two other negroes attempted to rob Gurley. Gurley, who apparently resisted, is said to have been struck on the head with a bar of iron and instantly killed.
