House Passes Keating Bill.

Washington, Feb. 2.—By the overwhelming majority of 337 to 46, the House late this afternoon passed the Keating child labor bill limiting the hours of labor for children in cotton mills, factories, mines, etc. The bill is almost certain to become a law if it ever comes to a vote in the Senate. It imposes heavy penalties for interstate shipment of any commodity made in whole or in part by children under sixteen working in mines or quarries, or by children under fourteen working in mills, canneries, workshops or manufacturing establishments. Where children are employed at night or more than eight hours a day in this latter class of industries, the minimum age is sixteen instead of fourteen.

The only material change made to the measure was by the adoption of an amendment to exempt the boys' and girls' canning clubs.

Representatives Webb, Page, Godwin, Hood, Pou, Small, Stedman, Doughton, Kitchin and Britt—the solid delegation from the State—voted against the bill. The only northern man to vote with the southerners was Representative Parker, a Republican, of Newark, N. J.

Severe Cold Quickly Cured.

"On December first I had a very severe cold or attack of the grip as it may be, and was nearly down sick in bed," writes O. J. Metcalf, Weatherby, Mo. "I bought two bottles of Chamberlain's Cough Remedy and it was only a few days until I was completely restored to health. I firmly believe that Chamberlain's Cough Remedy is one of the very best medicines and will know what to do when I have another cold." Obtainable everywhere.

Senator Burton Will Speak at Asheville February 14.

Ex-Senator Theodore E. Burton, prominently mentioned for the Republican nomination for the presidency of the United States, will be in Asheville Monday, February 14, and will deliver a public address on "The War and Its Effects."

Senator Burton will be introduced by A. Hall Johnston, one of the leading democratic attorneys of the county, it being the aim of the committee to have the address strictly a non-partisan feature. Both republicans and democrats will be among the men selected to occupy the platform with the distinguished Ohioan.

Dr. Bell's Pine-Tar-Honey

For your cold, for your cough, for your feverish throat, nose and head, use Dr. Bell's Pine-Tar-Honey. Honey soothes the irritation, Pine-Tar cuts the phlegm, thus relieving congestion. Pine Tar also acts as an antiseptic, as a result general relief follows. Breathing becomes easier and further inflammation is arrested. Insist on Dr. Bell's Pine-Tar-Honey. It is an ideal treatment. Price 25c.

Smallpox Vaccine Free.

That the State Laboratory of Hygiene has succeeded in manufacturing smallpox vaccine for free distribution to the citizens of the State is the statement made public today by Dr. C. A. Shore, director of the Laboratory of Hygiene of the State Board of Health. This vaccine, Dr. Shore advises, is made according to Noguchi's new method and is absolutely free from all contaminating bacteria. It is put up in small tubes provided with rubber bulbs suitable for individual use and in small vials for use in schools or wherever large numbers of persons are to be vaccinated. The plan adopted for its distribution is through the county and city health officers from whom physicians may be supplied.

The Best Recommendation.

The strongest recommendation any article may receive is the recommendations of those who have used it that makes Chamberlain's Cough Remedy so popular. Mrs. Amanda Gierhart, Waynesfield, Ohio, writes, "Chamberlain's Cough Remedy has been used in my family off and on for twenty years and it has never failed to cure a cough or cold." Obtainable everywhere.

How They Stand on Preparedness.

Washington, Feb. 2.—Members of Congress from North Carolina today were asked the following question:

"Do you favor the President's preparedness program? If not what kind of preparedness do you favor?"

The results show that two members, Messrs. Pou and Britt stand ready to go as far as the President desires.

Representative Small is for the President's programme with modifications.

Representatives Hood, Godwin, Webb and Stedman wish to see the results of the committees which are investigating our defense. They are for preparedness.

Representative Doughton, while for preparedness, declared himself between the two extremes.

Representative Page is noncommittal.

Representative Kitchin, as stated in an interview of Monday, is for continuing under the regular program of increase, and is opposed to the plan of the President.

Senator Simmons said he believed the President meant for Congress to work out the proper plan, but is not in favor of all the recommendations of the Department. He has not completed his study of the question.

Senator Overman does not think the country in danger, but if it were he would be in favor of doing everything to become prepared. He favors what may seem necessary when full information is had on the condition of our defense arrangements.

Mr. Pou said he favors the President's program.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address:

Two Hundred Conversions During Morganton Revival.

Morganton, Feb. 3.—The First Baptist Church has just closed one of the most successful revival meetings ever held here, there having been over 200 conversions and more than 100 have given their names to the various churches for membership.

The services were conducted by Rev. and Mrs. J. H. Dew, formerly of Missouri, with headquarters now at Ridgecrest; and the impression made on the community was so great that a request from the business men of the town was made of them to return next year and hold another meeting.

Sciatica's Piercing Pain

To kill the nerve pains of Sciatica you can always depend on Sloan's Liniment. It penetrates to the seat of pain and brings ease as soon as it is applied. A great comfort too with Sloan's is that no rubbing is required. Sloan's Liniment is invaluable for stopping muscular or nerve pain of any kind. Try it at once if you suffer with Rheumatism, Lumbago, Sore Throat, Pain in Chest, Sprains, Bruises, etc. It is excellent for Neuralgia and Headache. 25c. at all Druggists.

Claude McAfee, charged with murder in the first degree for the killing of Martin Burnett, in Buncombe county, was convicted of second degree murder and sentenced to seven years and six months in the State prison.

BE OPTIMISTIC

Here's Good News for Marion Residents.
