Marion's City Store.

Cream Separators

We have just put in stock the De Laval Cream Separator. It will pay any farmer who milks as many as two good cows to use a Separator.

We also have Corn Stalk Cutters. It is estimated that every acre of average corn stalks cut and turned under is worth \$3.25 per acre as fertilizer, besides getting the stalks out of the way of cultivating the land.

The Price Hardware Co.,

Marion, North Carolina.

Our Policy of Giving the

most value in men's tailored-to-measure Suits for the least money has saved many dollars for men in this community. This season we are eclipsing every former effort, and in justice to yourself and in fairness to your purse, you should carefully inspect our fabrics and workmanship before you buy your new Suit. Here you make a saving of at least \$10 on every Garment.
