#### Your Boy.

This is a good time to think of your boy. If you do not look after him in the right way, someone will do it in the wrong way. Begin now!

Teach your boy to follow in the footsteps of his father, to respect the law, to obey his parents, to regard the rights of all men, to honor virtue, to respect womanhood, and to depend upon no one but himself for advancement.

Teach him that the Golden Rule of life will be found in the Ten Commandments. They are short. They have survived the ages. They stand today unchanged and unchallenged.

They comprise the first great written law given by God to man. Before these few commandments all man-made laws fade into insignificance. Teach them to your boy. There is danger ahead if you do not.

The boys of today are to be the men of tomorrow. The destinies of the American people are to be in the hands of their sons. If the boys are taught respect for the law, both human and divine, obedience to authority, manly independence and the fear of God, this great nation will be a noble monument to man's capacity for self-government and self-control at a time when all the world is a seething cauldron of unrest, unreason and disbelief.

Teach your boy to rule, but first to rule himself.—John A. Sleicher, in Leslie's.

#### Catarrhal Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed. Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Cure acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Cure Circulars free. All Druggists, 75c.

#### Felt Like One of Them.

"Tuther day," related old Dad Bing, the Oklahoma cattle baron, who is temporarily in our midst, according to The New York Times, "I was rumbling along in a street car, when a batch of young fellers got aboard. I judged they were college students by their funny clothes and queer-shaped heads. The car was pretty full, and they pushed and snorted back and forth in the aisle, tramping on people's feet and committing similar frivolities that-a-way. Bimeby they all r'ared back and fetched loose a long yell. Then the nearest one to me took a look, and not admiring my face or something, says: "Well, my rural friend, don't you like it?" "Shore, I like it!" says I. 'I'm half-witted myself.'"
