Mr. Conley was thrown forward, striking a curtain hook in the buggy which cut an ugly gash over the right eye. The wound necessitated several stitches but it is not considered serious.

Next Saturday is the date for the primary, when the voters will have an opportunity to select the men of their choice for the various offices. In McDowell county the only contest is for treasurer. There are three candidates for treasurer on the Democratic ticket—M. G. Poteat, A. W. Grayson and A. W. Gilliam—and only the three names will appear on the county ballot. The other candidates have no opposition in their respective parties for the office to which they aspire and they have been declared the nominees of their party.

Voters are respectfully requested by the friends of M. L. Shipman to check his name on their ballot Saturday, June 3, for Commissioner of Labor and Printing. He is serving his second term and is the only editor whose name has been entered as a Democratic candidate for any State office this year.

A MATTER OF BUSINESS.

It is poor business to neglect your health. Your health depends mostly on the condition of your teeth.

Aside from the pain of toothache, neuralgia, a foul breath and bad appearance, you are incapacitated for any kind of work or business.

It is a matter of good or bad business judgement whether you have your teeth attended to by the old slip shod and un-sanitary methods, or in an up-to-date scientific manner.
