

CALOMEL DYNAMITES YOUR LIVER! MAKES YOU SICK AND SALIVATES

"Dodson's Liver Tone" Starts Your Liver
Better Than Calomel and You Don't
Lose a Day's Work

Live up your sluggish liver! Feel fine and cheerful; make your work a pleasure; be vigorous and full of ambition. But take no nasty, dangerous calomel because it makes you sick and you may lose a day's work. Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel crashes into sour bile like dynamite, breaking it up. That's when you feel that awful nausea and cramping. Listen to me! If you want to enjoy the nicest, gentlest liver and bowel cleansing you ever experienced, just take a spoonful of harmless Dodson's Liver

Tone tonight. Your druggist or dealer sells you a 50 cent bottle of Dodson's Liver Tone under my personal money back guarantee that each spoonful will clean your sluggish liver better than dose of nasty calomel and that it won't make you sick.

Dodson's Liver Tone is real live medicine. You'll know it next morning because you will wake up feeling fine, your liver will be working; headache and dizziness gone; stomach will be sweet and bowels regular.

Dodson's Liver Tone is entirely vegetable, therefore harmless and can not salivate. Give it to your children. Millions of people are using Dodson's Liver Tone instead of dangerous calomel now. Your druggist will tell you that the sale of Calomel is almost stopped entirely here.

Accomplishments of the Democratic Administration.

The Democratic administration has passed a program of legislation that will stand firm against all the onslaughts the Republicans can make. Measures of the greatest importance to all the people have been adopted since Woodrow Wilson was ushered into office. Some of them are:

The rural credits acts, which permits the farmer the same access to credit facilities that is enjoyed by the other elements of our citizenship.

The income tax law. The federal reserve act, which measures up to the Progressive requirements for "the issue of currency" as a governmental function under a system whose control should be lodged with the government and should be protected from domination or manipulation by Wall Street or by any special interest.

The good roads law, which extends federal aid to road building. The trade commission law, which fully satisfied the progressive demand for a "strong federal administrative commission of high standing that shall maintain permanent, active supervision over industrial corporations engaged in interstate commerce."

An eight-hour law applying to work done for the government as well as work done by the government.

An eight-hour law applying to female employees in the District of Columbia, over which Congress has jurisdiction.

An eight-hour provision for postoffice clerks and carriers.

An eight-hour provision applicable to civilians engaged in the manufacture of ordnance and powder for the government.

An eight-hour provision as to the mining of all coal to be used by the navy.

The children's bureau law to promote the welfare of children.

The industrial commission law to investigate the entire subject of industrial relations.

The phosphorus law to protect the health of workers in the match industry.

The Clayton anti-trust act, embracing the regulation of the issuance of injunctions.

The department of labor law, creating a department with a secretary, who shall be a member of the president's cabinet.

The Smith-Lever agricultural education law, which responds to the progressive demand that measures be taken to lift "the last load of illiteracy from the American youth," by "encouraging agricultural education and domestic schools."

The corrupt elections practices act.

Measures abolishing the commerce court and authorizing the Interstate Commerce Commission to make a physical valuation of railroads.

The Sherwood pension bill, which must meet the progressive idea of a "wise and just policy of pensioning American soldiers and sailors and their widows and children."

The parcel post law.

Addition of 66,880 Acres to U. S. Forest Reserve.

Washington, Aug. 23.—Addition of 66,880 acres to the Government's forest reserves in the Appalachian and White Mountains, bringing the total area purchased up to 1,396,367 acres, was announced tonight by the National Forest Reservation Commission. Fifty-nine tracts are comprised in the new acquisitions, the largest being in "Kilkenny purchase area," in New Hampshire and covering 36,000 acres. About 17,000 acres are in the White Mountains, making the total acquired there 698,086 acres.

Smaller tracts were purchased in the Southern Appalachian Mountains, the largest total on any area being that of 7,678 acres in Transylvania County, North Carolina, on the Pisgah Forest. Other tracts in Avery, Caldwell, Macon and McDowell Counties, North Carolina, on the Boone, Nantahala and Mount Mitchell areas, aggregate 1,870 acres.

Will Sloan's Liniment Relieve Pain

Try it and see—one application will prove more than a column of claims. James S. Eerguson, Phila., Pa. writes: "I have had wonderful relief since I used Sloan's Liniment on my knees. To think after all these years of pain one application gave me relief. Many thanks for what your remedy has done for me." Don't keep on suffering, apply Sloan's Liniment where your pain is and notice how quick you get relief. Penetrates without rubbing. Buy it at any Drug Store. 25c.

The New Pennies.

Those new pennies that the treasury department has sent out look like gold pieces. They are of the vintage of 1916, have on one side "In God We Trust," and the image of Lincoln and on the other "E Pluribus Unum," which ought to mean in the case of these new brownies that they are plentiful. If they were just a little larger, they would be likely to fool newspaper men—they look so much like five dollar gold pieces appear through glass and bars.—Hickory Record.

When You Have a Cold

Give it attention, avoid exposure, be regular and careful of your diet, also commence taking Dr. King's New Discovery. It contains Pine-Tar, Antiseptic Oils and Balsams. Is slightly laxative. Dr. King's New Discovery eases your cough, soothes your throat and bronchial tubes, checks your cold, starts to clear your head. In a short time you know your cold is better. Its standard family cough syrup in use over 40 years. Get a bottle at once. Keep it in the house as a cold insurance. Sold at your druggist.

Mail Order Folks.

If you buy out of your town and everybody else in your town buys out of town, what would you give for your town at a sheriff's sale? Some people don't buy anything in their own town and yet they wonder what is the matter with it. They ought to know that they are what is the matter with it.—Winston-Salem Journal.

Cure For Cholera Morbus.

"When our little boy, now seven years old, was a baby he was cured of cholera morbus by Chamberlain's Colic, Cholera and Diarrhoea Remedy," writes Mrs. Sidney Simmons, Fair Haven, N. Y. "Since then other members of my family have used this valuable medicine for colic and bowel trouble with good satisfaction and I gladly endorse it as a remedy of exceptional merit." Obtainable everywhere.

More than 1,000 women are employed as street cleaners in Vienna. They receive the same wages that men formerly received for the work.

Just the Thing for Diarrhoea.

"About two years ago I had a severe attack of diarrhoea which lasted over a week," writes W. C. Jones, Buford, N. D. "I became so weak that I could not stand upright. A druggist recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. The first dose relieved me and within two days I was as well as ever." Many druggists recommend this remedy because they know that it is reliable. Obtainable everywhere.

ANOTHER MARION CASE

It Proves That There's a Way Out for Many Suffering Marion Folks.

Just another report of a case in Marion. Another typical case. Kidney ailments relieved in Marion with Doan's Kidney Pills.

J. F. Williams, mgr. Telephone Co., Johnson St., Marion, says: "I was all run down from kidney trouble and the best doctors in the state held out no hope for my recovery. I had rheumatic twinges throughout my body, was extremely nervous and didn't sleep well. The kidney secretions were scanty and scalded in passage. I got Doan's Kidney Pills at Streetman's Drug Store and they cured me." (Statement given February 10th, 1911.)

Over Three Years Later Mr. Williams said: "Since I recommended Doan's Kidney Pills, I have had no sign of kidney trouble. I think they saved my life."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Williams has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.
