CALOMEL WHEN BILIOUS? NO! STOP! MAKES YOU SICK AND SALIVATES

"Dodson's Liver Tone" Is Harmless To
Clean Your Sluggish Liver
and Bowels.

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with sour bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tone tonight on my guarantee.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tone. Take a spoonful and if it doesn't straighten you right up and make you feel fine and vigorous I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick.

I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.

Edison, Who Was a Roosevelt Man, for Wilson Now.

In a very interesting interview printed in The New York World, Thomas A. Edison announces himself as for Woodrow Wilson for President. Mr. Edison was one of the original Roosevelt men and in his own language he turns to Wilson when the "machine-controlled Republican party" would not have Roosevelt. In a formal statement Mr. Edison said:

"Not since 1860, has any campaign made such a direct call on simon-pure Americanism. The times are too serious to talk or think in terms of Republicanism or Democracy. Real Americans must drop parties and get down to big fundamental principles.

"More than any other President in my memory, Wilson has been faced by a succession of tremendous problems any one of which, decided the wrong way, would have had disastrous consequences. Wilson's decisions so far have not got us into any serious trouble, nor are they likely to.

"He has given us peace with honor. This talk about the United States being despised is nonsense. Neutrality is a mighty trying policy, but back of it are international law, the rights of humanity and the future of civilization.

"With reference to Mexico, I think that the President has acted wisely, justly and courageously. It was right that the United States should not have recognized such a murderous personality as Huerta. I do not believe that we should have intervened, nor do I believe that we should intervene now. Mexico is a troublesome neighbor just now, but war and conquest is not going to make her a better one. Both against England and against human slavery the United States worked out its salvation through revolution, and it was a pretty slow, trying process.

"It has been said that Wilson at first was against preparedness. Perhaps he was, but when convinced that intelligent public opinion was overwhelmingly in favor of it he changed. That is the proper thing for our Presidents to do. A President defiant of public opinion would be a dangerous man in our system of government.

"His attitude on the tariff shows an equal openness of mind. A tariff commission will take the whole problem out of politics. It is my hope that experts will be named, and that the body will be continuing and vested almost with the dignity of the Supreme court.

"They say he has blundered. Perhaps he has. But I notice that he usually blunders forward. You can't get 100 per cent efficiency in a democracy. I don't know that we ought to want it. We would be machines and we would have to sacrifice to much of freedom.

"As I said at the start, it has

Discouraged Citizens Will Find Comfort in the Experience of a Marion Woman.

Experience is the modern instructor. Profit by the experience of others. It may save your life.

The experience of friends and neighbors.

The testimony of Marion people Will bring renewed encouragement. Here is a case in point:

Mrs. J. Brown, Garden St., Marion, says: "I had nervous and dizzy spells and backaches. My kidneys were also weak. I used Doan's Kidney Pills, procured at Streetman's Drug Store, and they strengthened my kidneys and back and made me feel better in every way."

been just one big thing after another with Wilson. I have never known so many dangerous questions brought up for decision to any one President. Now he has the general strike of the skilled railway men, which, if carried out, will throw the whole country into highly developed, but as to his foresight we are confusion and prove a calamity that, in certain eventualities, will have results bound to extend over a long period of time. He is acting with his usual courage and sanity.

"In my opinion, Mr. Hughes, if President, would find it difficult to decide on the best course for the government to take in this strike. His capacity for hindsight, as we learn from his speeches, is not equally well informed.

"Mr. Wilson has now had about four years of experience, and he has earned faith and trust. I do not think it a logical or sensible thing to change to an unexperienced and untried man just for the sake of change, or without much better reasons being given for the change than I have noticed."

20,000 Rumanians Taken at Turtukai.

Berlin, via London, Sept. 7.—More than 20,000 Rumanians were taken prisoner when Bulgarian and German troops captured the Rumanian fortress of Turtukai, says the official statement issued today by the German Army headquarters.

The official statement says that in the capture of the Rumanian fortress more than 100 guns were taken.

The official account of operations in the Balkan War theater also shows that strong Russian forces have reached southeastern Rumania near the Bulgarian border, where they are now engaged with the Bulgarians and Germans.

WOULDN'T TAKE BEST FARM FOR TANLAC'S GOOD

Declares Prominent Rural Man in Telling How He and Wife Are Happy Again.

"The little money I spent for Tanlac is not a drop in the bucket compared to the amount of doctors' bills I paid and, as far as the good Tanlac has done both me and my wife, I wouldn't take the best farm in North Carolina in return for it," declared W. M. Jones, prominent farmer of Jamestown.

"Only those suffering from stomach trouble and indigestion know what my wife and I went through for years, especially after failing to gain relief from doctors and having lots of good food around and without being able to eat it for fear of terrible after effects. But now Mrs. Jones and I are happy for we are able, thanks to Tanlac, to enjoy hearty meals and refreshing sleep, and gain in strength and flesh."

Tanlac is sold in Marion exclusively by J. W. Streetman.
