Million Carranza Currency Sells for Only \$6.50.

Mr. Albert S. Richards, who is well known in Broad River township, McDowell county, where he owns a 400-acre farm, recently came in possession of more than a million dollars of Carranza currency. He writes that he will spend next summer in this county and that all he realizes from his "rich" find will be spent in McDowell. And he wishes to advise his McDowell friends who contemplate a trip to Mexico that he will supply them with this currency at the rate of one per cent face value. Referring to Mr. Richards' "fortune," The Tribune, of Tampa, Fla., says:

"If the Mexican Government should ever recognize all of the paper money issued by the Carranza administration, Tampa can boast of a millionaire in the person of A. S. Richards, proprietor of the Richards Grocery, at Palmetto Beach. Mr. Richards has more than \$1,000,000 "worth" of the Carranza paper, which came to him in an old iron safe, which he purchased for \$6.50 at the "old boss" sale held here a few days ago by the Southern Express Company. Had Mr. Richards been subject to heart trouble he would have dropped dead when he opened the safe, and as it is, he says he feels just a little shaken over his find.

"All yesterday and last night was spent in counting the money, and there is a spark of hope burning in the breast of the grocer that the stuff may be worth something some day. He is taking an interest in Mexican diplomatic doings now that he would never have developed had it not been for the little old iron safe.

"The safe in itself is a study to one who has delved into history. It bears no name of any safe company or of any city. There is not the slightest mark to give a clue to where the safe was manufactured, and it is a queer looking piece of ancient workmanship."

WHY YOU ARE NERVOUS

The nervous system is the alarm system of the human body.

In perfect health we hardly realize that we have a network of nerves, but when health is ebbing, when strength is declining, the same nervous system gives the alarm in headaches, dizziness, dreamful sleep, irritability and unless corrected, leads straight to a breakdown.

To correct nervousness, Scott's Emulsion is exactly what you should take; its rich nutriment gets into the blood and rich blood feeds the tiny nerve-cells while the whole system responds to its refreshing tonic force. It is free from alcohol. Scott & Bowne, Bloomfield, N. J.

Attention is called to the fact that we charge five cents a line for resolutions of respect, obituaries, card of thanks and similar notices.

Despondency.

When you feel discouraged and despondent do not give up but take a dose of Chamberlain's Tablets and you are almost certain to feel all right within a day or two. Despondency is very often due to indigestion and biliousness, for which these tablets are especially valuable. Obtainable everywhere.

It Always Helps

says Mrs. Sylvania Woods, of Clifton Mills, Ky., in writing of her experience with Cardui, the woman's tonic. She says further: "Before I began to use Cardui, my back and head would hurt so bad, I thought the pain would kill me. I was hardly able to do any of my housework. After taking three bottles of Cardui, I began to feel like a new woman. I soon gained 35 pounds, and now, I do all my housework, as well as run a big water mill.

I wish every suffering woman would give
