

# MOST EFFECTIVE REMEDY MOTHER HAD EVER USED

Dr. Caldwell's Syrup Pepsin Relieves Baby When Other Medicines Failed.

There is nothing so necessary to a child's health and comfort as regularity of the bowels. All children are especially susceptible to stomach trouble and any overstrain of the sensitive organs has a tendency to obstruct elimination. This condition is responsible for much of the illness of childhood.

To relieve constipation a mild laxative should be employed. Cathartics and purgatives are violent in their action and should be avoided. Mrs. Alfred Du Bois, Mt. Holly, N. J., says Dr. Caldwell's Syrup Pepsin is without doubt the most effective remedy for constipation she has ever used and that it is the only remedy she could find for her baby. Little Earl was badly constipated during his first year and nothing she tried seemed to help him until she got a bottle of Dr. Caldwell's Syrup Pepsin. Now he is a fine, strong, healthy boy, and she thanks Dr. Caldwell for it.

Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin, free from opiates or narcotic drugs; it acts gently without griping or other discomfort, and appeals to children because of its pleasant taste. Druggists everywhere sell it for fifty cents a bottle, and every mother should have it in the house for use whenever occasion arises.

To avoid imitations and ineffective substitutes always be sure to ask for Dr. Caldwell's Syrup Pepsin. See that a facsimile of Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 455 Washington St., Monticello, Illinois.

## Pisgah National Forest Now Federal Game Preserve.

Washington, Nov. 11.—President Wilson has issued a proclamation by which the Pisgah National Forest, in western North Carolina, is made a Federal game preserve. This is the first Federal game preserve of its kind to be created east of the Mississippi River.

The Pisgah National Forest consists largely of the George W. Vanderbilt estate, part of which has been purchased by the Government. The land is located near Asheville and Biltmore, N. C. Owing to the protection against hunting which has been afforded the tract for a number of years, the game has not been killed out, as is the case in most places in the southern mountains. Deer, wild turkey, and pheasants are said to be plentiful.

If you have a news item, personal or any item of local news of interest The Progress will appreciate your giving it in at any time. The small item is appreciated as much as the larger ones.

## Pure Bred Jerseys to be Placed in The State.

Raleigh, Nov. 9.—Mr. A. J. Reed of the Office of Dairying Farming of the Animal Industry Division, announces that the services of a field man has been secured to place Jersey Cattle in the state. While at the National Livestock Show at Springfield, Massachusetts, Mr. Reed succeeded in interesting the Jersey Cattle Club in North Carolina to the extent that they will send Mr. R. L. Pike to look over the prospects for increasing the number of pure bred Jerseys in the state.

Mr. Reed will personally accompany Mr. Pike around over the Dairy section in an effort to show him the great strides North Carolina is taking in developing this branch of Livestock farming. Other members of the Extension Service will then accompany Mr. Pike to localities in which they are familiar with conditions. It is then expected that the County Agents will take him in charge in an effort to make the use of pure bred dairy cattle more general.

Mr. Pike will arrive around the first of November and a carload of Jerseys will be shipped soon after. The first consignment will go to Ridgeway where the farmers have been demanding Jersey Cattle for some time. About one half of the shipment will be left at Ridgeway and the remainder will be brought to Raleigh.

It is expected that this tour of the state will result in much valuable information being given the farmers in the care and handling of Jersey Cattle, and that the breed will become familiar in dairy and butter points in the state.

### Brief Items.

A ton of soy beans will yield about 40 gallons of oil useful in various ways.

There are 70 national bird reservations, of which 67 are in charge of the Department of Agriculture.

Care should be taken to handle alfalfa hay so as not to lose leaves, as these contain considerably more than 50 per cent of the feeding value of the hay.

After testing his 17 cows through a cow-testing association, a Nebraska farmer sold 7 and received more profit from the 10 remaining animals than he had received formerly from the whole herd.

The United States meat-inspection service certified to the wholesomeness of 11,220,958,000 pounds of meat from 61,826,304 animals during the last fiscal year. It condemned 348,945 animals and 738,361 parts of animals, equivalent to about 84,320,000 pounds of meat.

### Four Amendments Have Been Ratified.

Raleigh, Nov. 10.—It is very generally conceded that the four amendments to the constitution passed by the last legislature received ratification at the polls Tuesday, although there are every meager reports as to the actual vote on them.

The Wake county canvassers found that they were ratified by good majorities in most of the precincts in Wake. However, the vote on the amendments does not anything like keep pace with the total general election vote cast.

If the amendments are ratified, as they most probably are, they will be effective just as soon as their ratification is officially declared by the state board of education.

### Do You Have Sour Stomach?

If you are troubled with sour stomach you should eat slowly and masticate your food thoroughly, then take one of Chamberlain's Tablets immediately after supper. Obtainable everywhere.

## 79 YEAR OLD LADY GAINED 20 POUNDS BY TAKING TANLAC

Well Known North Carolinian,  
Who Suffered 20 Years,  
Now Walks Up Town.

To gain twenty pounds in weight at the ripe old age of 79 years is just what Mrs. L. B. Horney, of 722 North Main Street, High Point, has enjoyed through 5 bottles of Tanlac. This venerable lady is loved by the hundreds of her town-people who marvel at her remarkable change in health, for Mrs. Horney had suffered for the past 20 years.

"Why, I feel so good all over that I can walk up-town now—a distance of 7 squares—and my friends tell me I look 10 years younger," Mrs. Horney said. "Only a short time back I was barely able to walk about the house. I would suffer from heart fluttering and, after everything seemed to turn black before me, I would fall, helpless. I lost in weight and strength until I was nearly completely run-down. During those 20 years or more of my ills I was treated by five different physicians and took every kind of medicine I heard of without getting any lasting relief. I was low when I heard of Tanlac through a relative.

"From the start Tanlac did the work. My appetite returned and with it came strength and an increase of 20 pounds in weight. Heart trouble has left me. If 5 bottles of Tanlac can work such a change in a woman of my age, I feel it a duty to tell about it. It is now 4 months since I finished the last bottle and I keep on gaining right along."

Tanlac is sold in Marion only by J. W. Streetman.

## Ladies' and Men's Garments
