

WOMEN'S NERVES

Women, more than men, have excitable nerves, because tiring work and physical strain tax their more delicate nervous systems and bring premature age and chronic weakness—unless treated intelligently.

Drug-laden pills and alcoholic concoctions cannot build up a woman's strength, but the concentrated medicinal food properties in

SCOTT'S EMULSION

build strength from its very source and are helping thousands of women to gain control of their nerve power—overcome tiredness, nervousness, impatience and irritability.

SCOTT'S is a liquid-food—free from alcohol.

Higher Court Affirms Conviction of Frady.

Raleigh, Dec. 14.—Eight appeals were decided by the Supreme court in its weekly delivery of opinions. Especially notable was State vs. Edgar Frady, which came up from Buncombe, the conviction and sentence in the lower court being affirmed by the Supreme court. This is the noted blackmail case in which Frady and two accomplices, Martin Rickman and Myrtle Pressley were accused of sending letters to D. P. Lance, a merchant of Arden in effort to frighten him into paying large sums of money. In the trial below the girl was acquitted and the jury could not agree as to Rickman. They convicted Frady and he was sentenced to two years on the roads. This conviction and sentence is affirmed, the court holding that there was no merit in any of the grounds of appeal.

Other appeals decided in the batch of opinions delivered this afternoon follows:

Barber vs. Berry, Guilford, remanded; Bailey vs. Long, Burke, reversed; Tyler vs. Hayes, Avery, affirmed; Bank vs. Loven, Avery, affirmed; Bailey vs. Bailey, McDowell, reversed; Ingram vs. Johnson, Burke, affirmed; Bell-Thrash Co., vs. McCormick, Burke, no error.

Union County Receives the Democratic Flag.

Raleigh, N. C., Dec. 15.—Union county is to receive the splendid silken state flag from the state democratic executive committee as the banner democratic county of the state in having made the largest gains in the November election over the state vote for 1912. Union's per cent gain was 59.97 per cent. Buncombe gained 15.79 per cent.

There were eighty-seven counties that showed democratic gains as figured out by Democratic State Chairman Warren. Thirteen counties showed losses in democratic vote. The net gain in the democratic vote in the state was 11.86 per cent under the announced plan of the award.

Verdict Against M'Coy.

Jacksonville, Fla., Dec. 15.—Thomas C. McCoy, of Asheville, N. C., was convicted by a jury in federal District court here today of conspiracy to defraud the government out of revenue tax on whiskey distilled at the Longbranch distillery here. The case was completed late today and the jury was out an hour and ten minutes before returning a verdict. McCoy's attorneys informally gave notice of a new trial.

It was announced that sentence will not be passed on McCoy until after the prospective motion for a new trial has been heard. The maximum penalty is four years in penitentiary or a fine of \$20,000.

Bailey Turns Down Appointment to Bench.

Raleigh, Dec. 14.—J. W. Bailey, Collector of Internal Revenue, declined to accept the appointment to the Superior Court judgeship for the Seventh District tendered him yesterday by Governor Craig to succeed Judge Charles M. Cooke, resigned. He wrote the Governor this evening that his private business is just now in such a condition as would not admit of his continued absence from Raleigh such as service on the bench would exact. He expressed deep appreciation for the tender of the appointment.

Governor Craig will leave the matter of further appointment open for a few days and says he has no one all in mind at this time.

It Always Helps

says Mrs. Sylvania Woods, of Clifton Mills, Ky., in writing of her experience with Cardui, the woman's tonic. She says further: "Before I began to use Cardui, my back and head would hurt so bad, I thought the pain would kill me. I was hardly able to do any of my housework. After taking three bottles of Cardui, I began to feel like a new woman. I soon gained 35 pounds, and now, I do all my housework, as well as run a big water mill.

I wish every suffering woman would give

CARDUI
