

Would you mix your cattle-feed with cotton?

YOU know that such a combination would be carried through the digestive tract without giving the milk-producing and fat-producing food a chance to be assimilated. The lint on old style hulls acts the same way. It forms a pad or cushion-like covering around the concentrates that prevents the digestive juices from extracting the full amount of protein.

BUCKEYE HULLS

TRADE MARK
COTTONSEED
LINTLESS

contain no lint to clog or flux the digestive tract. They are digested and they allow the other forage to be digested the same as hay or any other roughage. When you mix your feed with Buckeye Hulls you know that you are using roughage that will help—not hinder—the meal, corn, oats, or whatever concentrate you prefer.

Other Advantages

2000 pounds of real roughage to the ton—not 1500. Cost much less per ton. Go much farther. No trash or dust. Easy to handle because sacked. They mix well with other forage. They take less space in the barn.

Mr. C. K. Henderson, Aiken, S. C., says:

that he would rather have Buckeye Hulls than any others. He uses Buckeye Hulls altogether—says they are cheaper and better.

To secure the best results and to develop the ensilage odor, wet the hulls thoroughly twelve hours before feeding. It is easy to do this by wetting them down night and morning for the next feeding. If at any time this cannot be done, wet down at least thirty minutes. If you prefer to feed the hulls dry, use only half as much by bulk as of old style hulls.

Book of Mixed Feeds Free

Gives the right formula for every combination of feeds used in the South. Tells how much to feed for maintenance, for milk, for fattening, for work. Describes Buckeye Hulls and gives directions for using them properly. Send for your copy to the nearest mill.

WEAK, WEARY WOMEN

Learn the Cause of Daily Woes and End Them.

When the back aches and throbs, When housework is torture, When night brings no rest nor sleep, When bladder disorders set in, Women's lot is a weary one. Doan's Kidney Pills are for weak kidneys. Have proved their worth in Marion. This is one Marion woman's testimony.

Mrs. J. Brown, Garden St., says: "I had nervous and dizzy spells and back-aches. My kidneys were also weak. I used Doan's Kidney Pills, procured at Streetman's Drug Store, and they strengthened my kidneys and back and made me feel better in every way." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Brown used. Foster-Milburn Co., Props., Buffalo, N. Y.

LADIES! If you use a Sewing Machine you need the best and lightest running. Doctors and hygienists recommend the correct position of the body when sitting. The White "Sit Strate" 60 gives this position. It is ball bearing, every shuttle, automatic lift drop and. Your sewing will be a pleasure with a "White Family" in your home. Exchange your old hard-running machine at a good price as payment on a WHITE and your machine troubles will end for life.
