### Marion Defeats Old Fort.

The Cross Mill team of Marion and Old Fort met on the Marion diamond Monday afternoon and after thirteen innings of real baseball Marion was victorious. This makes the third time Marion has beaten Old Fort this season. The first and second games were played on the Old Fort diamond. The first game resulted in a score of 10 to 8, the second 11 to 2 and third 14 to 13 in favor of Marion.

The game on Monday was a thrilling one from start to finish and both teams got all the action needed. Old Fort was first to score in the third inning on a single and a pass ball and a double. Marion did not score until the sixth inning, but pilled up enough to tie in the ninth. Old Fort scored four runs in the first half of the 13th and Marion got away with five, making the fifth run with only one out.

The feature of the game was the pitching of Haney, who pitched the whole game for Marion and, with the exception of three bad innings, held Old Fort at his mercy. The batting was featured by Bradford and Crews of Marion, the latter leading with Bradford a close second.

### Population of Marion 1,784.

The census bureau reports that Marion has within its borders a population of 1,784, being an increase of 265, or 17.4 per cent.

Marion has a number of suburban villages that were not included in this count.

"Checkers," one of the greatest stories of old Kentucky, thoroughbred men and women, and thoroughbred horses, will be shown at the Grand Theatre next Monday, matinee and night.
