

ALL WORN OUT

Does morning find you with a lame, stiff and aching back? Are you tired all the time—find work a burden? Have you suspected your kidneys? Marion people endorse Doan's Kidney Pills. You can rely on their statements.

Mrs. F. H. Hall, Marion, says: "A few years ago my back gave me a lot of trouble. It ached terribly and I felt tired and worn out. When I bent over a sharp pain would almost take my breath away. I was dizzy and black specks came before my eyes. In the morning I was tired and lame and could hardly get around. I was nervous, had headaches and my ankles swelled. I could hardly get my shoes on. My kidneys were weak, too. Hearing of Doan's Kidney Pills I got a supply at the Streetman Drug Co. and they made me feel fine in no time. Continued use entirely cured me."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Hall had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

A LEOPARD CANNOT CHANGE ITS SPOTS

Mr. Dodson, the "Liver Tone" Man, Tells the Treachery of Calomel.

Calomel loses you a day! You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel just remember that your druggist sells for a few cents a large bottle of Dodson's Liver Tone, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate.

Don't take calomel! It can not be trusted any more than a leopard or a wild-cat. Take Dodson's Liver Tone which straightens you right up and makes you feel fine. Give it to the children because it is perfectly harmless and doesn't gripe.
