**WHY I TRADE AT HOME**

I trade at home and never roam  
Seeking "bargains" elsewhere.  
I love the town in which I live,  
For all my interests are there.  
And then, again, I buy from friends,  
We all need one another.  
When I run short I can approach  
My dealer as a brother.  
When buying here with conscience clear,  
I put my money down,  
I know it stays right here and works  
For the welfare of my town.  
Another thing, right here I bring  
The produce that I raise  
And always get an honest deal—  
I've found that it pays.  
And then, I know when buying here  
It helps things to relax,  
And also helps the man who pays  
His portion of the tax.  
And when I'm sick or in hard luck  
The man I buy from is here  
With the pocket book, if need be,  
And kindly words of cheer.  
So that is why I trade at home;  
I'm a booster through and through,  
For a town that's good to live in  
Is good to buy in, too.

Your table friends at any time  
Will not be half complete  
Unless the groceries that you buy  
Are wholesome fresh and sweet.  
So place your order with us  
And give your folks a treat  
For we deliver Groceries  
That are always good to eat.
