

A GOOD FRIEND

A good friend stands by you when in need. Marion people tell how Doan's Kidney Pills have stood the test. C. C. Boon, blacksmith of State St., endorsed Doan's eight years ago and again confirms the story. Could you ask for more convincing testimony?

"My experience with Doan's Kidney Pills has been such that I am glad to recommend them," says Mr. Boon. "My kidneys were irregular in action, my back ached and I had trouble in stooping. Doan's Kidney Pills were advertised at the Streetman Drug Co., so I used some. They fixed me up in good shape and I have felt fine since." (Statement given February 19, 1911.)

On April 24, 1918, Mr. Boon said: "I recommend Doan's Kidney Pills just the same now as when I endorsed them before. They helped me when ever my back has troubled me since and I wouldn't be without them. I advise others to try Doan's, for they are just as represented."

Dodson's Liver Tone Instead of Calomel

Calomel is quicksilver. It attacks the bones and paralyzes the liver. Your dealer sells each bottle of pleasant, harmless "Dodson's Liver Tone" under an ironclad, money-back guarantee that it will regulate the liver, stomach and bowels better than calomel, without sickening or salivating you—15 million bottles sold.

FIFTY THOUSAND DOLLARS, MARION, NORTH CAROLINA, SIX PER CENT, STREET IMPROVEMENT BONDS.

Notice is hereby given that sealed bids will be received by the Board of Aldermen of the Town of Marion, N. C., at the office of the Mayor in the Streetman Building on Main Street, in Marion, until 11 o'clock A. M. on Monday, the 10th day of October, 1921, for the purchase of bonds in the aggregate amount of \$50,000.00 to be issued for street improvement under authority of the General Assembly of North Carolina of 1921; said bonds will be dated the 1st day of October, 1921, and issued in denominations of \$500.00, bearing interest at the rate of six (6) per cent per annum, payable semi-annually, the bonds to mature thirty years after date. The principal and interest to be payable to the First National Bank of Marion, or at some agreed New York Bank. All bids must be accompanied by a certified check or cash deposit of two (2) per cent of the par value of the bonds bid for payable to the order of L. A. Neal, Clerk to the Board of Aldermen of the Town of Marion, North Carolina. No bid for less than par and accrued interest can be accepted. The right is reserved to reject or accept any and all bids.

This the 9th day of September, 1921.

BOARD OF ALDERMEN of the Town of Marion.
By H. H. Tate, Mayor.
Attest: L. A. Neal, Clerk.

PRIZES OFFERED FOR SCHOOL IMPROVEMENT

In order to arouse more enthusiasm and to stimulate interest in the campaign for better equipment and general improvement of our schools it would be well to review the list of prizes offered:

For the most improvement in a one-teacher school.
For the most improvement in a two-teacher school.
For the most improvement in a three or four-teacher school.

In order that teachers may have some definite idea about how to proceed in the contests for the prizes for improvements, we say in the Teachers' Guide, which is in the hands of teachers, that every school should first put in patent desks. The county will match your dollar in paying for these desks. When this school year is over we do not want a single home-made desk in our schools. A library and books come next in importance. If you raise \$20.00, the State will give you \$20.00; the county \$20.00 and a case. There are a few schools in the county without libraries. At the end of the year we hope there will not be one. The following are important in the order in which they are listed: Shades, teacher's chair, map, pictures, teacher's desk, globe, sand table, reading table etc. When buying pictures we suggest that you select a group of reproductions from the masterpieces of art dealing with farming, farm life, and rural scenes.

So much for inside improvement. When it comes to the outside, the ground should be graded first. Ball ground and courts should be made next. If the house is not underpinned, that should be done, and shrubbery banked against the underpinning. When you plant trees, or shrubs, plant by a plan which can be obtained at small cost. No shrubbery is more beautiful than the mountain rhododendron and laurel that we have. Why not use it against the underpinning? The best time to plant is November. Why not celebrate Arbor Day? A day of celebration and work, a giant community meet for improvement. Arouse the enthusiasm of everybody in your community, from the oldest to the smallest child; have some work for everybody to do.

A picture should be taken of your school grounds before any improvement is made. A kodak will do. Another should be taken at the close of the school. These pictures will help the judges to decide upon the outside improvements made at different schools.

In order to furnish assistance in the matter of attendance prizes are offered. A prize will be given every child who is neither absent nor tardy during the year. A prize will be given to the school having the best attendance for the year; to the school with a census of fifty or more for the highest percentage of enrollment; to the school having the least percentage of tardies based upon the enrollment; for the Community Club, Community Welfare League or Advancement Association doing the most constructive work for its school. The organization will be judged by these four points: Money raised 25 per cent; Work done by members 25 per cent; Burden of Leadership borne by patrons, not teachers, 25 per cent; Entertainments, 25 per cent. (For the organization to provide four entertainments a year is enough.)

Prizes to the best athletic organization. The number of games that school shall play will be decided upon later. The points by which the organization will be judged are: Number of games, 50 per cent; management, 25 per cent; school spirit, 25 per cent.

Let each school in the county choose the prizes for which it will contest and begin to work for that prize now. The winners of prizes will be the schools that begin now and work all the year. People of the communities, encourage your teachers and pupils to work for prizes. There will be a county commencement in the spring. You want your school to show up well then. See how many of the prizes you can carry away.

Tanlac has been an unailing source of comfort to millions throughout the length and breadth of this continent. Have you tried it for your troubles. Davis Pharmacy.

Me-o-my, how you'll take to a pipe—and P. A.!

Before you're a day older you want to let the idea slip under your hat that this is the open season to start something with a joy'us jimmy pipe—and some Prince Albert!

Because, a pipe packed with Prince Albert satisfies a man as he was never satisfied before—and keeps him satisfied! And, you can prove it! Why—P. A.'s flavor and fragrance and coolness and its freedom from bite and parch (cut out by our exclusive patented process) are a revelation to the man who never could get acquainted with a pipe! P. A. has made a pipe a thing of joy to four men where one was smoked before!

Ever roll up a cigarette with Prince Albert? Man, man—but you've got a party coming your way! Talk about a cigarette smoke; we tell you it's a peach!

Prince Albert is sold in tippy red bags, tidy red tins, handsome pound and half pound tin humidors and in the sound crystal glass humidor with sponge moistener top.

ALADDIN SECURITY OIL STANDARD OIL COMPANY

"Kerosene costs only about half what it did last year"

A practical way to save coal this fall and winter

The Perfection Oil Heater will prove more economical in over a million homes this year than ever before. Coal prices have changed but little in the last twelve months, while Aladdin Security Oil, the best kerosene you can buy, has gone down nearly 50%.

The Perfection is an efficient heater. There's no waste of fuel, no ashes that represent many of the pounds that go to make up your ton of coal. Rooms and hallways that are used only a few minutes each day are an added source of wasted heat, greater, probably, than you imagine.

Use your coal heater to keep the whole house warm. Then in cold weather, instead of "rushing" the fire all day, make the living rooms comfortable by using a Perfection, just where you want it—in the bay window or the opposite side of the room from the radiator.

You can burn a Perfection for about 10 hours on a single gallon of kerosene. Your hardware or department store salesman will gladly point out its simple construction and smokeless wick adjustment to you.
