How did your neighbor's last bargain tire turn out

PROBABLY you know at least one car-owner who is always on the look-out for the cheapest tires he can find. He likes to get them by mail or at a sale or at some place where they have big red bargain signs over the door.

It would be fine if he could get "the edge" in every tire trade.

But the dealer can't afford to let him have it.

Even if a man saw any slight percentage in tire shopping at all--it disappeared when the "Usco" brought the price down.

A standard product--and the dealer sells it with pride.

A good tire. The dealer has no desire to trade you into a larger profit for himself

SUMMER.

By Beulah Wacaser.
I think summer is the best of all,
It's lots better than winter, spring or fall,
Because its full of joy and life -
You never think of care nor strife.
In winter when you sit and rest,
With smiles and laughter you're not blessed,
'Cause the days seems full of care,
Filled with nothing good nor rare.
I think summer is the best of all,
Of course it has a plaintive call,
For grownups and for children too,
Besides the joys there's work to do.

"I Got Real Mad When I Lost My Setting Hen," Mrs. Hannan.
"I went into the hen house one morning and found my favorite setter dead. I got real mad. Went to the store, bought some RAT-SNAP and in a week I got six dead rats. Everybody who raises poultry should keep RAT-SNAP." Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by Carolina Hardware and Red Star Pharmacy.

It is estimated that during the last five years the American people have been swindled out of \$140,011,231 by worthless stock boosters.

How a Noted Vet. Gets Rid of Rats--Farmers Heed.

Dr. H. H. Butler says, "I use RAT-SNAP around my hospitals every three months, whether I see rats or not. It does the work--RAT-SNAP gets them every time. I recommend it to everybody having rats." Don't wait until there is a brood of rats, act immediately you see the first one. Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by Carolina Hardware and Red Star Pharmacy.

More than \$80,000,000 worth of toys were made in the United States in 1920.

Servant Girl Wouldn't Go in Cellar, Fearing Rats.

Mrs. Tepper, Plainfield, N. J., says, "Rats were so bad in our cellar the servant girl wouldn't go there. Bought some RAT-SNAP and it cleaned all the rats out." RAT-SNAP destroys rats and mice. Absolutely prevents odors. Comes in cake form, no mixing. Cats or dogs won't touch it. Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by Carolina Hardware and Red Star Pharmacy.

WOMEN AND THE POLL.

Since the women are so active in politics, the question naturally arises as to whether they are required to pay a poll tax or not. Hon. Josephus Daniels writes in his paper:

"A woman friend of the News and Observer writes to inquire if it is true that the laws of North Carolina require every woman between the ages of 21 and 50 to pay poll tax and vote.

"The constitution limits the requirements of poll tax payments to men and only those between the ages of 21 and 50 have to pay. In the same connection it is well to note that under one of the amendments adopted in 1920 payment of poll tax is no longer required in order to vote.

There is no law to compel voting. But there is a very general sentiment that in a democratic government such as this government is, it is the duty of every qualified person to register and vote and thus accept his or her responsibility for the nature of the government.

ALWAYS TWO SIDES.

There are two sides to every question, although some people are never able to admit it, or even consider but one--until the shoe begins to pinch. In a certain town, not long ago, there was a choice bit of scandal. It would have looked juicy in print.

But the local editor did not use it. Too many innocent people would have suffered with the guilty.

A male gossip stopped the editor on the street and indignantly demanded that he "publish the news, regardless of who he hit."

Shortly thereafter a member of the old gossip's own family became involved in an unsavory mess. Did the gossip again demand publicity?

He did not. He busted right into the editorial office with a heartrending plea for complete suppression of the facts "for the sake of his innocent wife and daughters."

The woods are full of them.

MEET AGAIN AFTER 60 YEARS OF SEPARATION

Richmond, Va., June 21.--The meeting of two veterans who had not seen each other since the War Between the States came about by chance in a local restaurant today, when Charles Herring, 86, and J. A. Harris, 83, both of whom fought in Company K, twelfth Alabama regiment, were reunited. Harris was at lunch when he heard Herring's name called and inquired to know: "What Herring are you?" His question resulted in the reunion.

EX-SERVICE MAN REGAINS HEALTH LOST IN FRANCE

Declares Tanlac Built Him Back to Finest Condition After He Had Given Up Hope of Recovering From Troubles That Began in Trenches.

"It was just three weeks after I started taking Tanlac that my troubles ended," said F. L. Cumbie, 11 Brook St., Lynchburg, Va., carpenter and former service man.

"My health began to fail in France and even after I was discharged I continued to get worse. My whole system seemed affected, especially my stomach and nerves. I had awful indigestion and it looked like every bite I ate caused gas on my stomach and terrible pains in my chest and around my heart. I was so nervous I shook all over and slept so poorly that I could hardly muster strength to get out of bed. I wasn't able to work regularly and was about ready to give up.

"I never saw the like of the way Tanlac put me back in fine shape. I eat three big meals a day now, work every day and call myself as good a man as I ever was. I can heartily recommend Tanlac to anybody."

Tanlac is sold by all good druggists.
