OUR REPUTATION STANDS BEHIND THESE USED BUICKS

TWO of Buick's greatest qualities are absolute dependability—and amazing long life! That is why any used Buick, bought from a Buick dealer represents the greatest used car value that the market affords.

As Buick dealers, we stand behind the used Buicks we sell. And we stake our reputation on them because we know that they will give satisfactory service.

You can buy a used Buick—or any other used car—on a small down payment. We will take your present car in trade.

BUICK'S DOUBLE-DROP FRAME
The Buick double-drop frame makes possible a lowswung body without loss of head-room or road-clearance. And its extra-sturdy construction contributes greatly to the long life and dependability of Buick cars.
