JERSEY CATTLE SALE AT STATESVILLE NOV. 7

The North Carolina Jersey Breeders Association will hold its annual consignment sale of Jersey cattle at Statesville on November 7th and 8th. About 40 head of females will be sold at auction on the 7th. This offering will consist of heifers, bred heifers, bred cows, and cows just freshened. A banquet will be held at the Vance Hotel on the night of the 7th, which will be attended and addressed by some of the leading dairymen of the State as well as of the United States. On Friday, the 8th, 20 bulls will be sold at auction, consigned by some of the best breeders in the United States. All bulls are from cows that have produced from 500 to 900 pounds of butter-fat per year.

This offers McDowell county folk a good opportunity to buy some good foundation stock. Very often cattle can be purchased at a bargain at such sales. The transportation cost will not be much to Marion if two or more animals are purchased.

I would be very glad to see a representative number of farmers and business men attend this sale, and banquet, and see that some of these cattle come to McDowell county. Let me hear from you if interested.

W. L. SMARR, County Agent.

GOOD COLLATERAL

The girl whose face is her fortune is bound to go into the hands of a receiver.

LAND SALE UNDER MORTGAGE

Take notice that the undersigned mortgagee, under and by virtue of the power of sale contained in a certain mortgage deed executed by Willie Duncan and wife, Martha Duncan, to J. D. Williams, on the 25th day of March, 1929 and recorded in Book 41 at page 32 of the Record of Deeds for McDowell County, conveying the land therein and hereinafter described for the purpose of securing certain indebtedness therein described, and default having been made in the payment of said indebtedness will offer for sale to the highest bidder for cash at the court house door in Marion, North Carolina, on the 30th day of November, 1929, during the legal hours of sale the lands described in said mortgage deed.

For a more certain description of said lands see Record of Mortgage Deeds of McDowell County, book 41 and page 32, for a more perfect description.
This 28th day of October, 1929.
J. D. WILLIAMS, Mortgagee.

RESOLUTIONS IN MEMORY OF MR. LAWSON G. PRICE

We find in our convention this morning a vacant chair. The seat that was occupied by Mr. Lawson G. Price, father of our president, Mr. Jesse Price.

Mr. Price was born in Rutherford county Dec. 17, 1857. Died Feb. 2, 1929. Mr. Price was one of the sweetest singers McDowell county has ever known, and remained loyal to our conventions from the day of organization until his death. He was director of the Dysartsville Baptist Church choir for many years. At one time Mr. Price held a prominent position in the Burke-McDowell County Singing convention.

We have therefore adopted the following resolutions:

First: Be it resolved that we of the Singing Convention of McDowell county do greatly miss and mourn the loss of so good a man as our friend and brother, Mr. Price.

Second: Be it resolved that we of the Singing Convention, in memory of Brother Price, strive to be faithful and carry on the work in which he was so much interested.

Third: Be it resolved that a copy

More and More Colds Treated Externally

Demand for Vicks VapoRub Pioneer of "No Dosing" Method, Grows At Amazing Rate

A generation ago, when Vicks VapoRub was originated, the idea of treating colds without "dosing" was almost unheard of. Today, more and more colds are treated externally, and the whole trend of medical practice is away from needless "dosing."

Mothers especially appreciate Vicks, because it checks colds without risk of upsetting children's delicate stomachs. Just rubbed on, Vicks acts through the skin like a plaster; and, at the same time it gives off medicated vapors which are inhaled direct to the inflamed air-passages.

Year after year the demand for Vicks has grown until it is now the family standby for colds—adults' as well as children's—in more than 60 countries.

A short time ago the famous Vicks slogan "17 Million Jars Used Yearly," was raised to "21 Million" to keep step with the ever-increasing demand. Again the figures have been outgrown, as there are now "Over 26 Million Jars Used Yearly," in the United States alone.

of these resolutions be included in the minutes of our annual convention. We also extend our sympathy to the bereaved family, knowing our loss is heaven's gain.

Done in regular session of our Singing Convention Oct. 13, 1929.

Mrs. T. M. Edwards,
Joe M. Kanipe,
Mrs. J. T. Laughlin.
Committee.

JOHN HENRY REEL

John Henry Reel, a highly respected citizen, died at his home in West Marion Sunday, October 13, 1929, at 9 a. m. He had been in bad health for over a year. He was 84 years of age and served as a Confederate soldier in the Civil War. He bore his suffering with patience. He prayed much during his illness and stated that he was ready to go and that there was nothing in the way. He was a member of the Missionary Baptist Church at Zion Hill. He was married twice. His first wife was Mary Bradley. To this union eight children were born, as follows: Lida (deceased); Mrs. Thomas King, Lancaster, S. C.; Mrs. J. A. Bridges, Avondale, N. C.; Mrs. Harry Ergins, and Mrs. Mary Moody, Black Mountain, N. C.; Mrs. Lottie Marsh, who lives in the west; James N. Reel, Greensboro, N. C.; Edgar Reel, Cramerton, N. C.

He was married the second time to the widow of Melvin Kanipe, whose maiden name was Mary Jamison. There were no children to this marriage. One sister survives, Mrs. T. O. Curtis, of Marion. He leaves, also, a number of grandchildren and other relatives to mourn the loss.

The funeral services were held in Stroud's Chapel, West Marion, conducted by Rev. D. W. Hager. The interment was made in the cemetery nearby.

J. H. Gillespie.

Slow, but Steady Growth

The diary of a student of Upsala university, Sweden, written during the latter half of the Fifteenth century, was recently found in the library of that university. Astronomy was the main study and the text was written by Sacrobosco. In the Fifteenth century Upsala had six professors and 100 students; today there are 200 professors and instructors and 3,000 students.

The first palace sleeping car was built in 1858.
