COMMUNITY CANNERY AT PLEASANT GARDENS HIGHLY SUCCESSFUL

A cannery, organized as a community project and sponsored by t h e Agricultural Department of Pleasant Gardens high school, has proved highly successful during its first season. Through the course 'Production, Conservation and Processing of Food for Family Use' families are taught the newest approved practices with reference to canning, and demonstrations are held in the canneries to show patrons how to use the equipment. Each the supervision of Richard Roberts, teacher of Vocational Agriculture, assisted by Mrs. Melvin Burnette.

A total of 51 families have used the cannery to date, canning a total of 6,149 cans of food. No spoilage of any food has been reported so far. Over 800 cans of fruit and school lunch room. A greater part
