

Library Notes

BY ALICE BRYAN
County Librarian

"Teach me, O God;
Give me understanding,
And I will keep your law."
—Psalm 119:34 included in
"Tell Me About Prayer."

By MARY ALICE JONES
All children from ages five to ten will appreciate Mary Alice Jones' "Tell Me About Prayer". They will love the many simple prayers included, and will learn from them to give expression to their own feelings of worship and praise.

Among the new picture books for the little folk are: "Circus Time" by Marion Conger, "Noises and Mr. Flibberty-Jib" by Gertrude Crampton, "Little Peewee" by Dorothy Kunhardt, "Busy Timmy" by Kathryn Jackson, "Up in the Attic" by Hilda Williams, and "Make Believe" by Frieda Friedman.

We regret that Mrs. Don Davis has found it necessary to discontinue library service to her community. Bookmobile service will be continued to Cherry Springs Community if any resident of the community requests the service.

Mrs. Don Davis has kept a Bookmobile Collection in her home for more than two years. She has given generously of her time to help provide recreational and educational reading for her neighbors. Adults and children of all ages have "flocked" to her home to borrow books. More books have been borrowed from this Bookmobile Deposit Station than from any other Bookmobile collection in the county. Thirty-nine adults and twenty-four children registered with Mrs. Davis. Through Mrs. Davis, they borrowed 3,206 Bookmobile books—1,503 adult fiction, 86 adult non-fiction, 1,431 juvenile fiction, and 186 juvenile non-fiction. When the last books for Mrs. Davis' Bookmobile collection were returned to the Bookmobile, the circulation count for the nineteen books was sixty-eight.

The library appreciate the books given by Mrs. George Rowe: "Lydia Bailey" by Kenneth Roberts, "Immortal Wife" by Irving Stone, and "Papa Was a Preacher" by Alyene Porter.

Readers will enjoy the popular magazines given by Mrs. John Finley, Mrs. J. F. Jonas, Mrs. Ralph Rector, and Mrs. Joe Patton.

Among the new registrations at the library in Marion: Leah Etrula Atkins, Cecil James Barlow, Mrs. J. C. Brown, Mrs. E. C. Carnes, Mr. E. C. Carnes, Bobby Curtis, Phillip Eugene Ellis, Dorothy Hensley, Hannah Marie Hollar, Della Hollifield, Dorothy Lee Hyatt, Jimmy Dean Kanipe, Lois Jean Lingerfelt, Mrs. W. A. McCall, Bobby Gene Morgan, Cora Lee Morgan, Gerald Murray, Eugene Padgett, Buford Douglas Ross, and Harry Clay Sprinkle.

Readers who have been asking for light reading, such as romances, westerns, nurse stories, and adventure stories, will be interested in the new additions to our book collection.

"Susan Merton, Civilian" by Louise Logan, "Hearts on Holiday" by Rebecca Marsh, "Nobody Loves Forever" by Margaretta Brucker, "Fairest of All" by Roberta Courtland, "Loving You Always" by Peggy Gaddis, "The Marrying Kind" by Roberta Courtland, "The Dreams of Day" by Gay Rutherford, "The Red River Crossing" by Chuck Stanley, "Rawhide Summons" by Brett Austin, and "Brothers of the Brand" by Abel Shott.

The many readers of the Jalna books will be interested in Mazo de la Roche's new novel, "Mary Wakefield"—Story of the vigorous Whiteoaks, and especially of Adeline Whiteoak, who rules Jalna as dowager queen, of Philip the heir, and of Mary Wakefield who is brought over from England to be the governess of Philip's two motherless children.

E-BONDS

Sales of Series E savings bonds hit a peacetime record last year, sending the total in the hands of the public to a new high of \$32,188,000,000. Sales topped cash-ins by \$494,148,000, a 219 per cent improvement over 1947's \$155,299,000 margin. Sales during 1948 totaled \$4,223,556,000, a gain of three per cent over 1947, while redemptions totaled \$3,728,408,000, a decrease of five per cent.

Wise Waste—1949 Resolution:

To throw away sometimes is thriftier than to save, household management specialists say. They explain that some articles, likely to accumulate around the house, are accident hazards which should be discarded promptly.

Any chipped or cracked glassware—whether tumbler, canning jar, cooking or serving dish—should be retired from use to prevent cuts as well as possible waste of food. Chipped enamelware also should go out of kitchen service because it may leave tiny glasslike particles in food prepared or cooked in it. Once china or pottery is cracked or chipped, it cannot be kept sanitary by ordinary dish washing. A cracked cup, therefore, is a health hazard as well as an accident hazard.

Tipsy pots and pans have caused many a serious burn. Cooking utensils should stand steady on the stove.

Home medicine cabinets are inclined to fill up. Old pills prescriptions and remedies are a nuisance and are dangerous to have around. They should never be saved for future use except on specific instructions from the physician. Some drugs deteriorate with age.

Other items which may wisely go out are toys with sharp points or edges or any loose parts which a child can get into his mouth. Tiny toys also have proved dangerous for young children. If the toy cannot be fixed for safety, it pays to throw it away.

Finally, be sure not to throw items on trash heaps or into open containers where children can find them.

The Tar Heel sweet potato crop during the past season was the smallest since 1924.

If Stuffy Nose Spoils Sleep Tonight

DO THIS to make breathing easier.

A little Va-tro-nol in each nostril quickly opens up nasal passages to relieve stuffy transient congestion. Invites restful sleep. Relieves sniffly, sneezy distress of head colds. Follow directions in the package. Try it!

THE NEW FUTURAMICS

FUTURAMIC—the most glamorous word in motor cars now applies to two great lines of Oldsmobiles. Not only the newly styled Futuramic "98"—but also a brand new Futuramic "76" with a new '49 Fisher Body that's lower, wider and offers greater visibility. And this year, Oldsmobile has struck a new balance of power with two great engines for these Futuramic cars. The new "Big Six" Engine in the "76" is more powerful than ever. And the new "98" is powered by the revolutionary "Rocket" Engine. It's a high-compression, valve-in-head eight—an engineering marvel that steps up horsepower to 135, yet actually cuts down on gas costs. Words can't describe it. You've got to drive it yourself for Oldsmobile's "NEW THRILL!"

White sidewall tires optional at extra cost.
